Tragedy probes results expected

By HENRY CANTIN

An investigation by federal and state safety officials and Romulus consulting engineers into the deaths of three Romulus Department of Public Works workers in a manhole is nearing completion, City Attorney John E. Young, disclosed Monday.

The three DPW workers, including a foreman, perished in the freak mishap last Thursday afternoon.

Wayne County Sheriff's Detective Harry Cummings said the men drowned in 30 feet of water in a sewer in the Columbus-Beverly Street area in south Romulus.

The dead were identified as Felix Glinki, 60, of 610 Cogswell Rd., William Hardt, 45, of 5878 Biddle, and Charles Claxton, 22, of 29197 Smith Rd.

A fourth employee - Houston Glaster, 35, of 29014 Powers, Westland - was also working

at the location, but was not injured.

Glaster told deputies that Glinki had gone into the sewer first at about 4 p.m. in order to remove a clog from the sewer line.

Glinki slipped and fell in the murky water, Glaster said, and disappeared below the surface.

Hardt went in after Glinki, the employee continued, but he too fell and

did not come up. The third man, Claxton, then went in after his co-workers, and apparently met the same fate as them.

Glaster said he also started in after them, but went and summoned help instead.

Divers from the sheriff's Marine Division were called to the scene and brought the dead men up.

Several of the divers said they were hampered in their rescue efforts by powerful sewer gas that would only allow them to remain in the line for a few moments at a time.

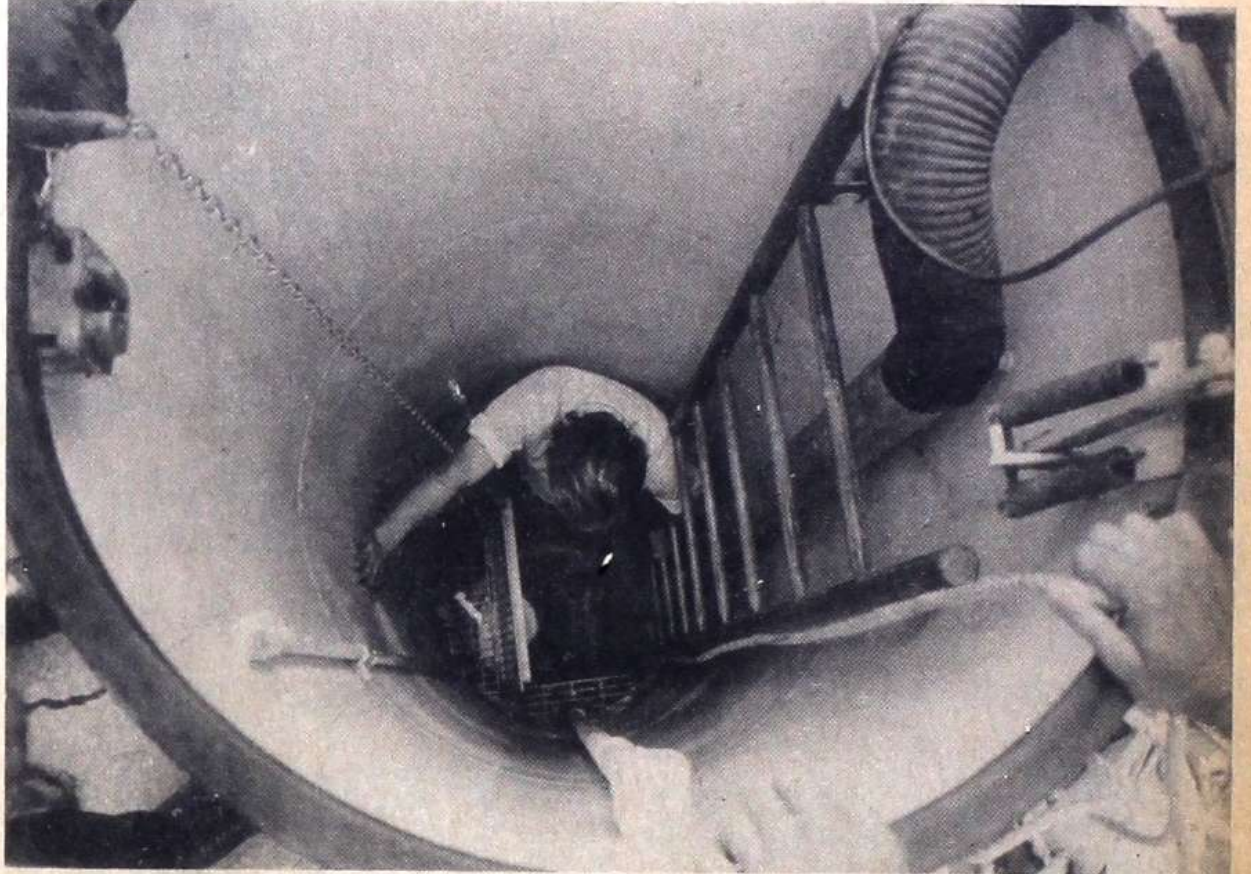

The accident occurred directly behind 34020 Beverly, deputies said, at a pumping station along the sewer line to the Detroit Sewage Treatment plant.

A detailed report on the investigation into the tragedy will be presented to the Romulus City Council this week.

"We are completing a thorough report of the investigation into the deaths of the three workers along with federal and state safety officials and Wade, Trim & Associates, city consulting engineers," Young said. "We hope to have a complete report in the hands of the City Council this week," he added.

Autopsies performed by the Wayne County Medical Examiner disclosed the men were overcome by methane gas. The men had been sent to the site after noon to repair a broken seal on a pump in a shaft adjacent to the manhole, a DPW spokesman reported.

Delegates picked

Wallace wins

HENRY CANTIN

George C. Wallace, governor of Alabama, won a sweeping victory in the City of Romulus, vote returns of the May 16 presidential primary election disclosed.

The vote totals of Democratic presidential hopefuls were as follows:

Wallace, 2,474; Sen. George S. McGovern, 763; Sen. Hubert H. Humphrey, 610; Shirley Chisholm, 116; Sen. Edmund S. Muskie, 63; Sen. Henry M. Jackson, 16; Sen. Vance Hartke, 9. Uncommitted votes cast totaled 10.

President Nixon received a vote total of 285 and his opponent, Sen. Paul M.

McCloskey Jr., 6 votes. There were four uncommitted Republican votes and 18 votes were cast for the American Independent Party.

State Proposal A, lifting the ban on lotteries, was approved 2,991-608.

State Proposal B, which would permit elected state officials to run for or be appointed to another office during their term of office in the state legislature was defeated by a close vote of 1,784-1,694.

The winning precinct delegates are those who have received the highest vote totals with the exception of precinct 3, 4 and 10, where the delegates with the two highest

vote totals are the winners. In precinct 11, write-in delegate Mrs. Jaye Harper is the winner.

The vote results for Democratic precinct delegates to the county convention for the city's 11 precincts are as follows:

Precinct 1: Barry T. Bauman, 136 (Muskie); Michael L. Gersky Sr., 123 (uncommitted). Precinct 2: Jack Trumble, 143 (uncommitted). Precinct 3: L. Norman Bandy, 123 (uncommitted); Edmund W. Bizek, 166 (uncommitted); James E. Blanton, 152 (uncommitted). Precinct 4: Alfred M. Kropat, 31 (uncommitted); Henry W. Skelly, 121 (Muskie); Charles A. Stoker, 94 (Wallace); James Tyler, 21 (uncommitted).

Precinct 5: John B. Lewkowicz, 170 (Muskie). Precinct 6: No candidate filed, but there were four write-ins. They were Ted Martin, 71; Edmund Bizek Sr., 4; Alfred (Continued on Page 3)

470 immunized at Huron clinic

More than 470 persons were given immunization shots last week in a program sponsored by the Huron Township Health Committee and aided by Huron School District students.

Mrs. Suzy Rhoads, president of the health committee, said, "I am very pleased with the response of the community. The clinic was a most successful project for all of us who participated. My thanks go out to the following persons who assisted with the program:

"Dr. Joseph Richert, Dr. Donald Everingham, Dr. J. W. Hillyer, Mrs. Phyllis Tourangeau R. N., Mrs. Doretta Causey, R. N., Clarence Otter, Mrs. Grace Kyko, Mrs. Betty Johnson, Mrs. Gleince Bosman and Mrs. Dave Rutledge."

Huron School District students who assisted were Mary Bujek, Vickie Lewis, Joanne Lemen, Sharon Petri, Karen Raker, Donna Dalto and Coleen Shine.

Mrs. Phyllis Tourangeau, clinic director and registered nurse, was in charge of the Huron Junior High School clinic. Students were served at Hannan Road Elementary School, Riverside Elementary School, Huron Junior High School, and in the evening at the New Boston Elementary School. The program was processed in one day on last Thursday, May 11.

The clinic served more than 470 persons, administering more than 600 shots and oral polio cubes.

"Mrs. Bosman and Mrs. Kay Rutledge, co-chairmen of the immunization day are to be commended for the extra time and effort they put in for phone calls and direct contact with all those who assisted in the success of the program," the health council stated.

'People for Huron' supports incumbents

People For Huron, an organization of citizens involved in promoting good government, announced on Monday its endorsement of incumbent school board members Leo Kyko of 18904 Hannan Rd., New Boston and Lee Betz of 19031 Savage Rd., Belleville.

Kyko and Betz are seeking re-election to the Huron School Board in the June 12 election. John McKinney, president of People For Huron, lauded

both Kyko and Betz for their efforts in maintaining the high quality of education in the Huron school system.

"Under the presidency of Kyko during this past year, there has been a spirit of cooperation and cohesiveness among faculty, parents and school board that has created an atmosphere conducive to quality education in the district."

"Betz, while serving his first year as a board member,

has contributed good sound business sense, and quiet, land-headed insight into the problems of the district. Both men deserve the support of the citizens of this community in their reelection bid," McKinney said.

The endorsement was made at a special meeting of People For Huron held on May 17. McKinney said the endorsement includes a commitment to Betz and Kyko of campaign support and hard work by members of the organization.

People For Huron, active in Huron school affairs since 1970, spearheaded a successful recall campaign last year. The organization then gave active endorsement to five candidates in last June's school election. All five candidates were elected.

money for Detroit's proposed \$126 million river front stadium.

In an emergency petition filed last Thursday, the governor asked the high court to intervene in the case, due to start before Circuit Court Judge Blair Moody Jr.

A check with the court on Monday showed the case was scheduled to proceed on Tuesday and that court officials had not heard from the Supreme Court.

The suit was filed by Belleville Mayor Royce E. Smith and two Grosse Pointe Woods' investment counselors, Marc Alleand and William Ross Kelley.

The suit contended the sale of bonds by the Wayne County Stadium Authority is public funding of a private business.

The governor said in view of the urgency of the matter,

issues raised in the case would have to be settled prior to June 19. If the issue is not settled, he said, the stadium project would have to be abandoned due to a deteriorating bond market, rising construction costs and attendant loss of revenues from the stadium to pay off the bonds.

Ronald Prebenda, attorney for the investment counselors, and B. Ward Smith, attorney for Mayor Smith and the City of Belleville, have said the system of funding the stadium would in effect amount to taxation without representation, "and that is unconstitutional."

The governor's petition raised two main questions. He asked:

"If the acquisition by the county-created building authority of a multi-purpose stadium financed by the authority through the sale of bonds, returned to the county and intended for use by a professional team and other meets a legitimate public purpose of the county."

"If these transactions constitute a grant by the county of its credit to and aid of a private corporation in violation of the federal and state constitutions."

It is planned to pay off the debt from Michigan's new

hotel and motel tax, the state's increased share of the money bet on horse races and revenues from stadium operation.

The fund is being administered by three Belleville councilmen, Ellis Amerman, Nelson Boone and Kenneth Palmer. The mayor stated contributions can be sent to P.O. Box 146, Belleville, Mich., 48111.

Carriers collect

The carrier boy who delivers this newspaper to your door will be calling to collect 50 cents for the month of May. This will include payment for the issue of May 31st. If your paper was started late in the month, he will collect a smaller amount.

Your carriers will appreciate prompt payment. If you have any suggestions on how he can improve his service to you, he invites your suggestions.

Offices to close

The Enterprise-Roman offices will be closed Monday for Memorial Day observance.

The deadline for advertising has been moved ahead this week to 2 p.m. Friday. The deadline for editorial copy is noon on Friday.

Voc-ed vote coming up

Voters in the Romulus Community School District as well as those in other Wayne County school districts will be asked to approve a one-mill property tax levy for the construction and operation of four Wayne County area vocational-technical centers in the June 12 school election.

The Romulus Board of Education has adopted a resolution approving the placing of the one mill proposition on the June 12 school election ballot, School Supt. Robert L. McConeghy reported.

Voters in Romulus also will be voting on filling two four-year school board posts. Five Romulus residents are seeking election to the school board this year.

By state law, school districts with more than 29,000 students may, by board resolution, be exempted from holding elections on the one mill property tax levy. The cities of Livonia and Detroit will not hold an election on this tax levy on June 12.

A six-page pamphlet has been prepared to give Wayne County voters a clear understanding of the need for the four area vocational-technical centers for the 34 local school districts.

The pamphlet points out that "out of every 10 students entering the first grade - only two will graduate from college."

"And what about the other eight (students)?" the pamphlet asks. In Wayne County no vocational-technical area centers have been provided for secondary students. Fifteen area centers are in operation throughout Michigan.

The pamphlet indicates, specifically, what area vocational-technical centers will do for those "eight students."

-- Area centers offer a large variety of vocational programs that local school districts cannot afford to offer.

-- Any student enrolled in a public, private or parochial high school may attend an area center, while retaining his home high school identity for the academic courses.

-- Vocational-technical education assists youth in choosing an occupation, train for it and secure employment.

-- An area center will be a community facility available for use by adults, community colleges and special needs programs.

-- After completing their program at the area center, students will be able to go to work with a salable skill, enroll in college and earn part of their own expenses, or be qualified for apprentice programs.

Thirty-four local school districts will hold elections on this one mill tax levy, including the Van Buren Public School District and the Huron School District.

Channel 56 will have a half-hour telecast entitled "V.E. and Tomorrow's Teenagers" at 9 p.m. tomorrow (Thursday).

The telecast will be an informational discussion about the need for more vocational-technical education programs in Wayne County.

PLUCKING TIME - These Romulus Rotary Club members aren't as heartless as they seem - they're only chopping chickens' heads for the benefit of the annual chicken barbecue set for June 3 at Five Points Park, Romulus. The barbecue will be served in the park pavillion,

with the local Rotarians completed for the city. Holding the chicken for the final axe is Robert Mach, past president, while Tut Mach performs the execution. Ron Makino, potato chef and chairman of this year's chicken barbecue program, watches.

Mr. and Mrs. William Maze, former residents of Barth Road, are spending a week at the home of their daughter and family, the Walter Goeckels, on Barth Road after wintering at their home in Florida. They will spend the summer at their Cedarville home in the Upper Peninsula.

On Friday, June 2, the W.S.C.S. is sponsoring a noon-day luncheon in the basement of the United Methodist Church on Olive Street. Serving will start at 11 a.m. and continue until 1 p.m. (or until all are served). City officials, business and professional folks, as well as the public in general, are invited. (It was incorrectly stated last week this luncheon would be held May 26). Tickets are \$1.50.

The next scheduled meeting of the Romulus Service Mothers Club is Monday, June 5, at the Romulus Progressive Club Hall on Ozga Road. The gathering starts with pot luck supper at 6:30 p.m.

Fly-up were ceremonies were held Friday, May 19, for girls of Blue Bird Troop 505, led by Mrs. Dennis Hornyak. "Flying-up" and now becoming Camp Fire Girls were Lisa Cooper, Vickie Eanes, Joyce Hornyak, Angla Moore and Jenny Rybacki. Mrs. John Stefanski's Camp Fire Girls from Merriman School took part in the ceremonial and thus earned their beads.

Barbara Boik, 13, was confirmed Sunday at St. John's Lutheran Church in Taylor. An open house was held later in her honor at the home of her parents, Mr. and Mrs. Harland Boik of 15110 Merriman Rd.

Local 4-H members with horse projects are reminded of the Wayne County Horse Show which will be held at the 4-H Fairgrounds, Quirk Road, Belleville, on Saturday, May 27. This is a yearly event which annually draws a good crowd of spectators and 4-H participants.

Budget hearing set

The Romulus City Council has scheduled a public hearing on the city's proposed

1972-73 general operating budget.

The public hearing will be held in the city council's chambers June 27 starting at 7 p.m.

The members of the city council currently are holding budget sessions on budget requests submitted by the various city departments and expect to have these sessions concluded in time for the public hearing.

Gathering Lands

ARLINGTON, Tex. (AP) — The American Bandmasters Association he accepted an invitation to meet in 1974 with the Japanese Bandmasters Association in Honolulu.

The bandmasters also announced their 1973 convention will be in Washington, D.C.

4-H youth can help promote Michigan as a Land of Hospitality this week (May 20-27), which has been designated as "Michigan Week". Did you know that Michigan was the first state to establish roadside picnic tables, also that three of America's top five industrial corporations and 23 of its top 500 businesses are headquartered in Michigan? Also, in Michigan you are never more than six miles from a lake or stream.

Mr. and Mrs. Steve Enzer of Ypsilanti were Sunday evening callers at the home of Miss Pearl Morris, Mrs. Mary Lou Fox and son, William, on Huron River Drive South. Mrs. Enzer is a sister of Mrs. Fox.

Romulus Cadet Girl Scout Troop 409 enjoyed an overnight Friday at Hayes State Park at Wampler's Lake. On Saturday the girls also visited Hidden Lake Gardens in that vicinity. Participating in the outing were Kim Anderson, Pat Stephens, Peggy Summerfield, Robin Washington and Jane Zaka, accompanied by their leader, Mrs. Harley Savage.

Recently as a service project, Troop 409 joined with Troop 345 and Junior Troop 450 of the Romulus Elementary School in stuffing 5,000 envelopes to be used by volunteers in the Muscular Dystrophy Drive.

Showing at the Illinois All-Arabian Horse Show this past weekend were the Fred Hay family of Huron River Drive South. Their Arabian gelding, "C'est La Vie" was named reserve champion gelding of the show, which attracted competitors from many states. Invited to compete in the Region 6 costume competition, Carla Hay, 16, was named to the Top Five in this championship class.

Mrs. Marie DeLangis flew in from Miraleste, Calif. to spend a week with her parents, Mr. and Mrs. Pete Glaab of Hannan Road. Her husband, Philip, joined her here on Friday and the two returned home together by air on Tuesday.

The Romulus Thrift Shop is badly in need of baby cribs, car beds or bassinets. Please leave them at the Thrift Shop, 7335 Washington Street. If no one is there, deposit them inside the door along with the donor's name and phone number. They would be greatly appreciated.

City approves HUD guideline

The Belleville City Council has adopted a resolution stating the city would follow the rules of the U.S. Department of Housing and Urban Development (HUD) governing the relocation of persons displaced by the city's urban renewal project.

HUD rules and guidelines state the affected persons should be adequately informed of benefits, policies and procedures that the relocation process should be carried out in such a manner as to provide displaced persons with uniform services, and that replacement housing should be available.

The city's urban renewal project involves a land site of less than two acres located in the central business district of Belleville.

Henry Draper, urban renewal director, reported Monday the city still has two land parcels to acquire and has an agreement on a third

parcel. The city has acquired four of the seven land parcels in the urban renewal project. It is in the process of relocating the persons involved prior to its demolition program.

Draper stated demolition of the structures is scheduled to get under way in the late summer when demolition bids will be sought.

Following the demolition program and completion of project improvements such as sidewalks and storm drainage, the land will be sold to developers for commercial development.

The urban renewal site is in an area bounded by Main Street on the east, Roys Street on the south and High Street on the north, with the western boundary extending 200 feet west of Main Street.

There are more than 11,000 lakes in Minnesota.

TOP AWARD - Clement C. Johnson Jr., 51365 Willow Rd., Sumpter Township, has been presented with the Town Crier Bell, Ford Motor Co.'s highest award for community service. Clement shows the coveted trophy to his wife, Mary. The award was presented to Johnson, current chairman of the Sumpter Township Planning Commission, at a Community Service Awards luncheon held in the company's Rawsonville Road Dining Room last Thursday.

Johnson gets top Ford award

Clement C. Johnson Jr., 49, chairman of Sumpter Township Planning Commission, has been presented with the Town Crier Bell, Ford Motor Co.'s top employee award for community service.

Johnson, who resides at 51365 Willow Run, received the coveted award at the Community Service Awards Luncheon held last Thursday in the dining room of the Ford's Rawsonville Road plant.

Johnson's community service activities include the chairmanship of the planning commission since 1965, Sumpter Township Board of Appeals and president of the Sumpter Township Housing Commission.

He was the president of the Sumpter Township Democratic Club for two years and was appointed by the governor to serve on the Michigan Public Health Advisory Council.

Johnson, who was born in Detroit, has lived in Sumpter Township for the past 20 years. He and his wife, Mary, are the parents of two children, a daughter, Mrs. Ronald Hughes of Cincinnati, Ohio; and a son, Clement Johnson III, a mechanical engineer in Ann Arbor.

In 1967, Johnson received an Outstanding Service Plaque from the firm where he is employed as an engineer in the manufacturing and plant engineering department.

250 turn out for dance review

About 250 parents turned out last week to watch 75 elementary students dance their way through the annual spring dance review sponsored by the Haggerty Road Elementary School PTO.

The children participating in the dance review were from the kindergarten through sixth grades of a number of local elementary schools.

The director of the review was Irene Price, associate director, Lee Cox, and the teacher was Lisa Citolletti from the Continental Dance Studios in Dearborn.

The Haggerty PTO will sponsor a program of special interest and importance to parents tomorrow night at 7:30. New officers also will be elected and final picnic plans will be made.

PNA to present scholarships

The Polish National Alliance 2984 of Belleville will present scholarships to local students on June 4.

The scholarship presentation will be made at 2 p.m. in the PNA Hall, located at Sumpter and Harris roads, Sumpter.

Last year five students from the Belleville, Sumpter, New

Boston and Ypsilanti areas received a sum of \$2,400 to help them in their education.

The money for the scholarship awards is derived from a perpetual fund established by the PNA and from contributions of members and businessmen of the area.

Alcohol group has first session

The Western Wayne County Council on Alcoholism, a group newly formed to initiate education programs about the appropriate use of alcohol, met last Thursday at Annapolis Hospital in Wayne to adopt a program mission and make plans for further meetings.

Headed by Mrs. Barbara Moylan and Mrs. Mary Browne, the group represents the communities of Romulus, Garden City, Wayne, Dearborn Heights, Inkster and Taylor.

With the assistance of Frank MacDonnell, chief alcoholism therapist at Annapolis Hospital and consultant to the council, objectives were defined to include services and activities to be implemented to promote healthy abstaining and drinking practices.

Early education about problem drinking and alcohol-related problems prior to the appearance of gross symptoms and the care and treatment of those who drinking problems were of special concern.

The next meeting will be held at 8:15 p.m. at the 18th District Court offices of Judge Thomas G. Smith, located at 33250 W. Warren, between Venoy and Farmington roads in Westland.

Parents participate in scouting program

Parents took feature roles at Cub Scout Pack 830's recent meeting, when mothers and fathers helped present the program and awards.

Mrs. Carole Rarick and Frank Filkins acted as uniform inspectors, scoring the boys on appearance. An opening ceremony followed which was planned by Mr. and Mrs. Donald Harrison, Mrs. Rita Jackson, Mrs. Judy Morgel and Mrs. Nolene Suesine.

A Cub Scout cake, baked by Mrs. Marolyn Hotchkiss, was won by Tod Burdick. Plans were made to take part in a Memorial Day parade.

During an awards ceremony, Patrick Jackson

earned his Wolf badge and gold arrow, Mark Nefsey and Kenneth Mazer were awarded a silver star and Bob Cat pin.

A dinner bar went to Dale Mazer and Scott Filkins earned an assistant dinner bar. Robin Edwards was received into Webelos and presented his handbook and scarf.

Den 5 reported on a visit to a stable where Ronnie Allen acted as guide.

Closing ceremonies were carried out by Tom Burdick, Mrs. Karen Losacco, Mrs. Theresa Congers, Mrs. Carole Filkins, Mrs. Marolyn Hotchkiss, Mrs. Phyllis Deneau and Mr. and Mrs. Robert Jones.

Beverly musical series concluded

Beverly Elementary School in Romulus closed this year's musical program series with a musical program entitled "A Musical Tour Across The County."

Several cities were visited through song and dance by the students in grades third, fifth and sixth. The production was directed by Miss Judith Thompson, vocal music instructor.

Gideon Pettway also led his instrumental ensemble composed of fourth through sixth grade students through several musical selections. Songs about Texas, New York, Detroit and other parts of the county were complimented by a rendition of the hula dance of Hawaii by a group of sixth grade girls. Another sequence featured several popular commercials shown on television.

This year's services of cultural productions included the Christmas program, talent shows, two chorus presentations, two musicals and drama productions. All were open to the public after school hours.

RHS concert tomorrow

The Romulus Senior High School Choir will present a spring concert at the high school auditorium at 7:30 p.m. tomorrow (Thursday).

The concert will be under the direction of Mrs. Patricia Mayberry, musical instructor. Several musical selections, including solo presentations, will be on the program.

A THOUGHT TO REMEMBER

BY HAROLD REDISKE, DIRECTOR

We decorate the graves of loved ones on Memorial Day. The ceremonies attract some spectators, but for the most part, we participate by choice as we honor our dead with respect and devotion.

It is an especially sorrowful day for the saddened families who suffered loss of loved ones in the armed services. Regardless of age, all those who died in conflict, died too young and too early. They died with eternity in their minds and a deep and undying hope that the rest of us might live in a better world of customs and morality. Periodically, we ask ourselves whether their hopes and deaths were in vain. The answer is an emphatic yes, unless we - AND those with opposing beliefs and systems, some day realize there can be no peace as long as men have war in their hearts.

In our prayers for peace, we should contrast in our minds the meaning of His Kingdom to the haunting words of Tennyson: "Our little systems have their day; They have their day and cease to be." Worldly systems and customs that cause war can be changed only when people dedicate themselves to God's Kingdom; a Kingdom of Peace that knows no war...

Antisubversive seminar planned for this weekend

"To work, pay taxes, vote and say we are patriotic is not enough if we are to save democracy from the sweeping tide of destruction created by the Communists and those who profess to be members of the New Left," says Rev. James D. Colbert, dean of the Michigan Antisubversive Seminar.

Rev. Colbert, once a successful pastor, has now turned his attention to exposing the nature of the subversive forces loose in the world. He is the chairman of the Christian Anti-Communism Crusade (CACC).

The Christian Anti-Communism Crusade, headed by Dr. Fred Schwartz, is sponsoring the Michigan Antisubversive Seminar which will meet at the Sheraton Metro Inn, 8600 Merriman Rd., Romulus. It will convene over the Memorial Day weekend. Sessions will be held from May 27 through May 29.

The purpose of the seminar is to educate individuals of every age about the present day subversive forces, including Communism, what they are, how to recognize them, what

they believe, their methods, and their immediate and long range objectives and how we as citizens can combat these menacing forces," Rev. Colbert explained.

"This is a community project, sponsored by the CACC in cooperation with a local citizens committee, and we hope that Detroit citizens from all levels of life will avail themselves of this opportunity, to learn what their role can be in the present struggle to restore peace and security," added Rev. Colbert.

Typical of some of the subjects which will be covered in the three-day seminar will be, "What is Communism," "What is Anarchism," "Constitutional Issues Involved in Antisubversive Legislation," Communism, The Enemy of Jewish People, "Source of the New Left Revolution," and other subjects.

Sessions of the three-day seminar will be conducted by a faculty consisting of Dr. Schwartz, director; Rev. Colbert, dean; Dr. Charles Rice, professor of law at Notre Dame University; Dr. Joseph Dunner, senior professor and chairman of the Political Science Department at Yeshiva University; Juanita Castro, sister of Cuba's Fidel; Herb Philbrick, Raymond Joseph and Dr. Walter Judd.

The sessions run from 9 a.m. to 9:30 p.m. each day with breaks for coffee and meals. Highlight of the seminar will be a special rally on May 28, at 2 p.m.

The rally is free to the general public. The respected Christian statesman and former Congressman, Dr. Walter Judd, will be the principal speaker. His subject will be, "Red China, the U.S. and the U.N."

The cost of tuition is \$20 for the entire seminar or \$2 per lecture. Tuition scholarships are granted on request.

Romulus parade Monday

The annual Memorial Day Parade in Romulus will be held on Monday, May 29, starting at 9 a.m.

This year's parade is being sponsored and directed by Romulus VF Post 9568, located at 39270 Huron River Dr., Romulus.

The parade will start at Five Points and proceed east on Goddard Road to Shook Road and then south on Shook Road to the Romulus Cemetery.

For further information on the parade, call Darnell at 941-2419 or the VFW Post Hall at 941-9866.

GETTING IMMUNIZED — The Huron Township Health Committee's recent immunization clinic reportedly was a "big success." More than 470 persons were administered immunization shots and given

oral polio cubes. Jana Fakhoury (center), an eighth grader, receives her immunization protection from Mrs. Phyllis Tourangeau, clinic director, while Sharon Petri, Huron High School student, assists.

To delay busing

Ford seeks public support for measure

WASHINGTON — Congressman William D. Ford (D-15th Dist.) has launched a campaign to seek public support for legislation to delay any court-ordered school busing to achieve racial balance until the U.S. Supreme Court has an opportunity to rule on the issue.

The letters sent last week to school officials and leaders of anti-busing groups, Ford urged them to write to their senators and to President Nixon to express support for proposed amendments to the Higher Education Act.

The amendments, approved this week by a joint House-

Senate Conference, include the Broomfield Amendment which was co-sponsored by Ford.

"This amendment, if passed into law, will provide a constitutional, statutory protection against the implementation of cross-district busing plans and such time as the Supreme Court issues a ruling," Ford said in the letter.

"It is expected that this conference report will be brought to the floor of the House and Senate for a vote within the next few days. Therefore, I would like to take this opportunity to urge that you write to your senators to

request their support for the conference report, and to the President to urge him to sign this bill into law when it is brought before him."

The Broomfield amendment provided simply for delay of court-ordered busing pending review by the Supreme Court. This language was amended by the Senate to make the delay effective through Jan. 1, 1974.

Ford expressed confidence that the Supreme Court will rule before that time on the question of cross-district busing for the purpose of achieving racial balance in schools.

The conference report also includes an amendment to bar the use of federal funds for transportation of students or teachers to overcome racial imbalance, or to purchase equipment for that purpose, except on the "express, written voluntary request of appropriate local school officials."

Even this provision was further restricted Ford said, by stipulating that no federal funds be made available for "transportation when the time or distance of travel is so great as to risk the health of the children or significantly impinge on the educational process," or when a child would be bused to an inferior school.

"The busing amendments were added to the Higher Education Bill as a convenient legislative 'vehicle' to have them written into law. The Higher Education Bill itself is a landmark piece of legislation designed to broaden financial assistance to low and middle-income students and providing direct aid to colleges and universities for the first time," Ford said.

Chamber meeting slated for June 7

The Romulus Metropolitan International airport Chamber of Commerce will hold a general membership meeting June 7 at the Sheraton Metro Inn, 8600 Merriman Rd., Romulus.

The meeting is open to all businessmen and women. Membership is not required to attend.

Letters about the meeting have been mailed to Romulus' business establishments. The letters inadvertently left out the meeting date, it was reported by the chamber.

Tickets to the meeting and further information can be obtained by calling the chamber office at 941-2262 or going to the chamber office, located at 36518 Goddard Rd., Romulus. The tickets are \$6 per person.

The featured speaker will be Joe Falls, well-known sports writer.

Results expected in probe of tragedy

(Continued from Page 1)

State, County and Municipal Employees, charged last Friday the City of Romulus failed to provide adequate safety equipment for two of the city workers who drowned. The union does not represent Glinski, who was a foreman.

Valenti said the men "should have had gas detectors, gas masks and a lifeline attached to them."

"It's in the contract that they (the city) are supposed to supply the equipment necessary for safety. Obviously with three men dead, it doesn't appear they did," Valenti said.

William Pritula, director of the Romulus Department of Public Works, expressed dismay the men entered the manhole which, he said, is for storage only.

Pritula said the men had no testing equipment since "we never enter wet wells" which, he said, are for sewage storage only.

He said the men "weren't given orders to enter the manhole because this is foolish."

The scene of the tragedy is a grassy alley behind a row of frame houses and stores on Beverly Road, near Columbus Street in an old section of Romulus, two miles northwest of the Detroit Metropolitan Airport.

The accident occurred at 4 p.m., just 30 minutes before the men were to quit for the day.

Funeral services were held on Monday and Tuesday for the three victims.

Services for Glinski were held at 11 a.m. Monday at St. Aloysius Catholic Church of Romulus, following brief services at the Baum Funeral Home in Romulus. Burial was in Michigan Memorial Park Cemetery near Flat Rock.

Rev. Fr. Joseph Kernosek, pastor of St. Aloysius Church,

officiated at the Funeral Mass for Glinski.

Surviving Glinski are his wife, Kathryn, two sons, Larry and Glenn; and two daughters, Mrs. Robert (Betty Jane) Buck of California, and Bonnie; four brothers, Albert Glinski, Romulus treasurer, John of Romulus, Martin of Belleville, and Frank, also of Romulus; two sisters, Mrs. Frank (Mary) Wisniewski of Romulus and Mrs. Robert (Ann) Varpagel of Dearborn.

Services for Claxton were held at the Baum Funeral Home at 2 p.m. Monday. Burial was in Romulus Cemetery.

The Rev. Jack Story, pastor of the Prayer Baptist Church of Wayne, officiated at the services.

Claxton is survived by his parents, Mr. and Mrs. Percy

(Glenda) Claxton of Romulus; four sisters, Mrs. Patricia Shockley of Taylor, Anna, Catherine and Cynthia, at home; and a brother, David, also at home.

Services for Hardrick were held at 1 p.m. Tuesday at the Stone Funeral Home in Inkster. Burial was in Westlawn Cemetery.

The Rev. J.D. Wells of the Union Grove Baptist Church of Romulus officiated at the services.

Hardrick is survived by his wife, Marie; three brothers, Joseph, Benjamin and Henry; three sisters, Mrs. May Ollie of Detroit, Mrs. Josie Slaughter of Romulus and Mrs. Rosetta King of Chicago; two daughters, Mrs. Willie Mae Colles of California and Riale of Romulus; and one son, James, also in California.

Center workers express sorrow

Earl Lamb, chairman for the Romulus Help Center and assistant principal at Romulus Senior High School, expressed sorrow at the death of 22-year-old Chuck Claxton, a DPW worker who died last week.

"All of us connected with the center are deeply saddened by the loss of this young man. He was one of our earliest volunteers," Lamb stated. "He not only helped with the painting and moving to get the center open, but he took all the training to serve his volunteer duty time. He was faithful until he gained full-time employment with the DPW."

"Even then," Lamb continued, "he kept an eye on things and often was on hand when something needed doing."

Other volunteers echoed Lamb's feelings. Mrs. Vi Martin, who works twice a

week on the crisis lines, said, "He was such a nice person, so considerate and always willing to help. It was just last week that I couldn't get the door to open and was due on duty. Chuck and Felix (Glinski) were on their lunch hour and they came down and opened the center for me."

"He was just getting started on his life," said Dan McAnally, who served a Saturday volunteer shift with Chuck. "It's a shame he had to give it up trying to help someone."

Huron citizen participation request OK'd

The Huron School Board has approved a request to implement citizen participation with the district's school board as soon as possible.

The request was made by school board vice president, L. Charles Larabell Jr. He was supported in his request by school board trustee, James Pershing.

The school board also approved a continuation of the school district's Community Education program and accepted a \$2,000 grant from Eastern Michigan University toward the program.

Mrs. Bosman said she would like to express her thanks to Frank Brown, who assisted in the transportation of the students.

"We all wish to express our thanks for the cooperative effort of the school staff. This year's thrust was to provide measles protection for those who wish to participate," Mrs. Bosman said.

The Huron Township Health Committee was assisted by the Wayne County Health Department. They received a \$700 gift for a scholarship for a Huron High School student.

The health committee will give two \$100 scholarships to graduating seniors this year.

The recipients will be announced at graduation ceremonies scheduled for June 14.

What ingredients make a 'good' community?

A former editor of a country newspaper asks "What makes 'good' communities?"

Writing to a friend, he says, "Now any observer knows that there are towns and counties where folks get along, where the casual visitor can hear that so-and-so is a useful citizen and not a—, where people seem to be helpful to each other.

The carpenter tells any inquirer how to cut a rafter. The trapper shares his favorite bait. The ones who can write or talk do so on request.

Of course such a community character is

not always unanimous. There are always those women who run the errand girl down with their tongues and men who run her down with their legs, but if most are tolerant the community may survive with the strength that can make it valuable.

Yes, it takes more than payrolls and town boosters to make a good community. It takes a breadth of vision in the ranks of its citizens — a desire to be above petty-talking meanness.

As the former editor implies, it takes considerable striving to be a good community.

Speaking of schools

Extra funds give Huron new programs

By CHARLES UNSELD Speech Therapist Huron School District

The State of Michigan has made some special funds available to the Huron School District for use in expanding educational opportunities for some of our area youngsters.

Staff and students alike are very excited about the possibility of a new outdoor education program under the direction of Arthur Palmer. Outdoor education is a means of curriculum enrichment through experiences in the outdoors.

According to School Supt. Byron K. Antcliff, this new program will afford splendid opportunities for youngsters that have heretofore been

unavailable because of the confines of classrooms. Students will be involved in a nature study, science, camping, arts and crafts work and other endeavors.

The other program that will be in operation this summer is a state-supported speech and language program staffed by Charles Unsel and Mrs. Susan Puscheck, state certified speech and language therapists. They will be working with children in building skills in an area of utmost importance for future success — namely, good communication skills.

In addition, the two

therapists will offer a diagnostic and referral service to parents who have some concerns about the way their pre-school child is talking or hearing.

The speech and language program will be in operation from June 14 to July 21, and concerned parents can make appointments by calling 753-4421 during those dates.

Both these fine programs point to a keen interest by the Huron schools in better serving their youngsters with new and needed programs for their growth into tomorrow's responsible citizens.

Sullen society breeds violence

By JOHN E. MCCAULEY State Senator 11th District

The senseless shooting of Gov. Wallace underlines what every person who has ever served in public office knows, but is reluctant to talk about. In this country, with a long-standing and increasingly developing and spreading history of violence, one never knows when some dissenter will express his or her views with a smoking pistol or rifle.

Violence is shot through our society. The day after Gov. Wallace was shot, we had equally senseless demonstrations in many of our so-called college communities. The cost in overtime for police in East Lansing alone was \$345,000.

While I share the distress every citizen of this country must feel about the war in Southeast Asia, I fail to see where the cause of peace will be furthered by blocking a main traffic artery in Michigan.

All of us deplore acts of violence. How many of us have really spent some time thinking about why these things happen?

It appears to me that the extremely violent, individual crimes, whether they are committed against a famous person such as Gov. Wallace or some innocent, unknown pedestrian on a lonely street, are generally committed by a specific personality type. More often than not, this person is a complete or near-complete failure in virtually every way imaginable.

School records tend to show the assassin is of limited ability, the adjustment to discipline is poor,

and that there is rebellion lurking just below the surface.

It would be a great step forward if our schools would or could identify and isolate this type of personality. Indeed, in view of the huge sums of money spent on education, it seems reasonable to expect the schools of this state and this nation to do a better job of identifying and referring to proper agencies those who show definite signs of maladjustment.

On the other hand, there is widespread dissatisfaction in this country that bears a relationship to the strange and violent actions of the assassins and would-be assassins. I daresay that fully 80 per cent of the people in this country are not happy about the way things are going, and for a variety of reasons.

The Michigan presidential primary election has been given a great number of interpretations by so-called political experts. Each one has a different idea of what the balloting meant, depending on whose ox was gored.

No matter what one's personal political beliefs, I think there is one fact that has not been adequately brought out. The votes for both Gov. Wallace and Sen. McGovern were in a real sense protest votes. They were votes against things as they are, and votes against the trends that seem to be accelerating in our society.

Indeed, the Wallace-McGovern vote may be viewed as a sort of confrontation of two points of

view, but in the last analysis, the real issue is discontent.

We live in a discontented society. Despite the fact the United States has achieved a level of material well-being that has never been reached or even approached by any country in world history, despite the fact we have reached a level of technical and scientific excellence that is the envy of the world, despite the fact that the United States has for more than 25 years carried the hopes of the free world and its taxpayers have paid the bills, we are fast becoming a nation of malcontents.

Somewhere along the line we have come very close to losing our souls. We have become critical and cynical of a great number of the values that made this country. We have had far too much noise and publicity from those who would tear this state and this nation down, and not enough has been heard from those who work to build a better place for themselves, their families, their community, their state and their country.

It's true that a lot of people are fed up. They are fed up with the failure of our system to recognize and reward hard work and honest effort. They are tired of being taxed to death, of being told what to do at every turn, and of being gouged by the loafers and freaks.

It is this atmosphere that breeds a sullen society, and it is that kind of society that breeds blood in the streets.

Cox questions ousted clerk's appointment

To the editor:

As one of his last official acts, recalled clerk Clarence J. Hoffman Jr. fired his deputy clerk and appointed his wife, Janet Hoffman.

When a township board is recalled, the deputy clerk runs the township until the governor makes his appointments.

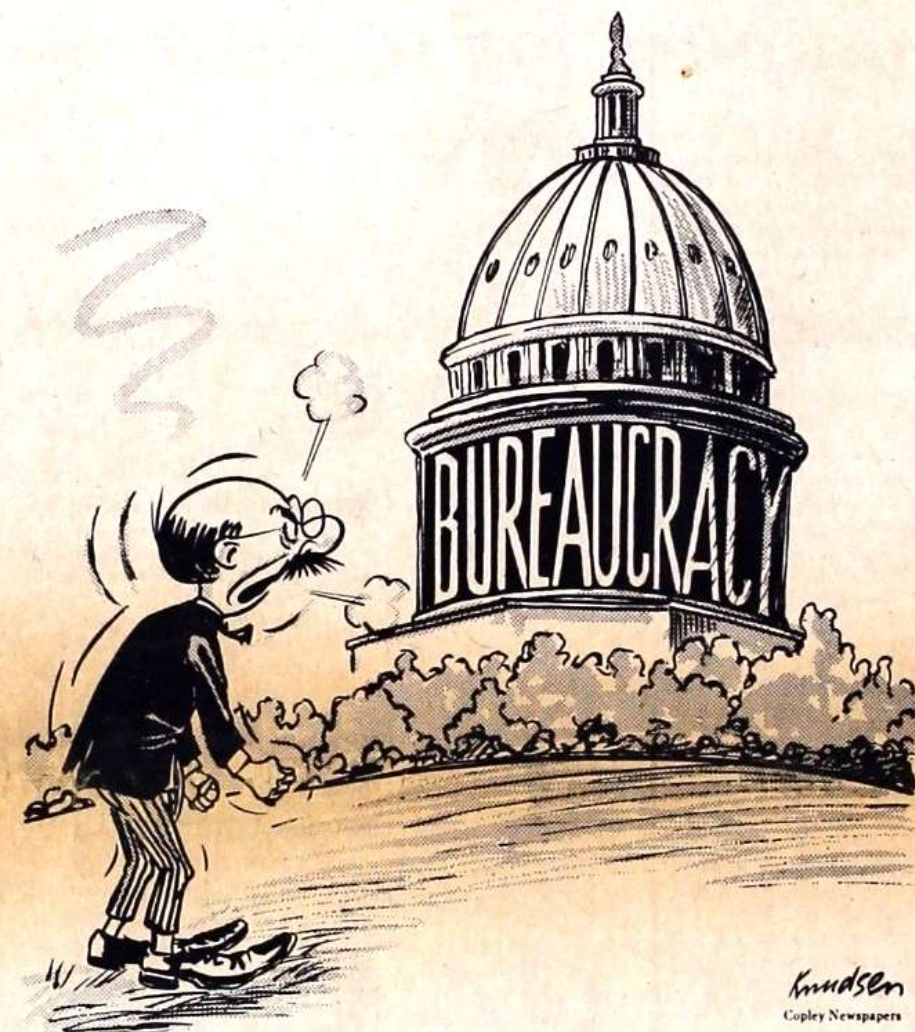

We question why this action was taken. Was it to maintain power over and access to records of Sumpter Township? This appears to be the case, since his wife made Mr. Hoffman her assistant.

If these records are all present and in order, why would Mr. Hoffman desire to maintain access to them? Why would the "big five" lock themselves inside the clerk's office and stay until after office hours after they were officially out of office? Unfair labor charges are being filed on behalf of Mrs. Patricia Szabo. Even Mr. Hoffman states she's the best employee he's ever had. If the new appointees are willing to correct this situation, these charges will be dropped.

I feel the reason given Mrs. Szabo for her dismissal was totally unjustified. Mrs. Hoffman stated Mrs. Szabo was a non-resident. In fact, Mrs. Szabo was a non-resident when Mr. Hoffman hired her.

In our opinion, Mrs. Szabo was used by Mr. Hoffman to do his job and when she was no longer needed, he tossed her aside. Also appointing his wife as deputy clerk for the obvious reasons is a flagrant slap in the face of the people in open defiance of the expressed will of the electorate.

Exemptions raised for blind homeowners

There have been a number of important bills signed into law recently, reflecting the stepped-up tempo of activity in the legislature.

One of the new acts, which I strongly supported, broadens homestead property tax exemptions for blind persons. Under the old law, a blind person was eligible for a \$2,500 property tax exemption on his home if the property he owned was valued at no more than \$10,000 in state equalized valuation.

By EDWARD E. MAHALAK
State Representative
38th District

The new revision of the law does two things. It eliminates the restrictions on the value of the property owned by the blind person and increases the amount of the exemption from \$2,500 to \$3,500.

The old property restriction had prevented many blind persons from receiving the tax exemption. Still worse, some who had received the exemption found that they lost it because rising property values had pushed the worth of their property beyond the \$10,000 state equalized valuation limit.

The same type of property value restriction had previously also been eliminated on homestead tax exemptions available to senior citizens. In both cases, the state covers any loss of tax revenue suffered by a local unit of government because of the exemptions.

Still another new public act appropriates \$129,650 to the State Department of Education for drug abuse education programs. The funds will be used to assist a project already under way in

business in Michigan with branch offices supervised by a licensed dealer or salesman and require that a trainee in the business work under the supervision of a licensed dealer.

—Prohibit local authorities from buying or selling traffic control devices that do not meet state uniform standards.

—Repeal an old law which banned boxing and wrestling matches on Sundays in Michigan.

—Allow Michigan School districts to use state funds for pre-primary programs.

—Permit a township board to hire a township manager.

—Provide recently discharged servicemen with a grace period during which they may drive in Michigan with an expired license and allow a Michigan driver's license to be issued to a military man stationed in the state who has a federal government motor vehicle operator's permit.

In addition, a number of new public acts bring old statutes into conformity with the Age of Majority Act, which lowers the legal age of adulthood from 21 to 18 years. The acts do such things as lower the age at which a person can apply for a job in a sheriff's department in counties of more than 400,000 population, lower the age at which a person may be hired as a security guard, lower the minimum age for admission into the practice of law, lower the age at which a person can be licensed as a podiatrist or a mortician, and lower the legal age in the area of trusts and other probate matters.

Belleville events planned for summer

By THEODORE F. KUCKELMAN Executive Secretary
Belleville Chamber of Commerce

Coming events in our community:

Fourth of July celebration - The Belleville Lake Water Ski Club under sponsorship of the Belleville Area Chamber of Commerce will present the Water Show as part of the Fourth of July celebration. It will be even bigger and better this year.

4-H Fair Parade Sunday, Aug. 13 - Wayne County 4-H Fair, Aug. 15 through Aug. 20. Watch papers for further information on both events.

For your information - Phil Swan Shoe Repair &

Locksmith is moving from 469 Main St. to 205 South St., phone 697-0800. Off - street parking is available.

June 14th is Flag Day - The nation will observe "Honor American Day" from June 14 through July 4 - Flag Day to Independence Day. The idea is to promote unity among all Americans and to encourage a massive expression of appreciation for the blessings and greatness of our nation. Plan now to display the American flag from June 14 through July 4.

The increasing tax bite - The average American wage earner has to work more than one-third of each eight-hour work day this year - two hours and 51 minutes, to be exact - just to earn enough to pay his taxes. The chamber of Commerce of the United States calculates.

Viewed another way, until May 10 all of Mr. Average Taxpayer's earnings are earmarked just to meet his federal, state and local taxes, the National Chamber points out.

Top two Belleville High scholars named

The two top scholars of the 1972 graduating class at the Belleville Senior High School were announced Monday by school principal John P. Ford.

The valedictorian of this year's class is Carol E. Wilson, daughter of Mr. and Mrs. George C. Wilson, 42615 E. Huron River Dr., Belleville.

Beverly Banotai, daughter of Mr. and Mrs. Frank Banotai, 20165 Elwell Rd., Belleville, has earned the salutatorian award.

The graduate The graduation ceremonies this year will be held at 8 p.m. June 7 at Bowen Field House on the campus of Eastern Michigan University.

Carol has achieved an "A" average during her four years at Belleville High School. Her grade point average is 11.03.

She was named a finalist in the 1972 National Merit Scholarship program. Her activities include being treasurer of the National Honor Society, secretary of the Latin Club and librarian of the United Nations Club. She plays the piano and has played the violin in the school orchestra during her high school years.

Carol was chosen by the Belleville High School faculty to receive the DAR Good Citizens Girl Award. She has received a Michigan State Competitive Honorary Scholarship as well as a University of Michigan Regents Alumni Scholarship. She has enrolled at the

The Belleville Area Lions Club is accepting nominations for the Merle Barker Memorial Award.

The award is presented annually to an outstanding driver of the Van Buren Public Schools Transportation Department.

This year's contest chairman, Jerry McKelvey, Monday detailed the rules for winning the award, named in the honor of Merle Barker, transportation foreman for the school district until his death in March, 1970.

The award rules require that only those drivers nominated on an official nomination form shall be eligible for the award. Nominations may be made by anyone living in, attending or working for the Van Buren School District. Completed nominations must be sent to the Belleville Area Lions Club, Merle Barker Memorial Award, P.O. Box 184, Belleville.

"This is not a popularity contest. The number of nominations is not significant. However, the content of the

nomination will be used by the committee as the basis for selecting the recipient of the award," club officials said.

In submitting a nomination, consideration should be given to the following: driving ability, safety record, road courtesy, work record, student conduct, character, other contributions to school, community and elsewhere with an explanation.

The recipient of the award will make the trophy available for display purposes at the request of the club.

In submitting nominations, list the name and state in 100 words or less why you are nominating the driver named for the Merle Barker Memorial Award.

Last year's winner was John Jobe of 45185 Venetian Dr., Belleville, a school bus driver since 1959.

The nomination forms can be obtained by calling the school district's transportation department at 697-9123, or any Lions Club member.

Belleville, a school bus driver since 1959.

Quirk teacher resigns

The Van Buren Board of Education has accepted the resignation of Mrs. Minnie M. Shook of 6770 Buton St., Ypsilanti.

Mrs. Shook, whose

resignation is effective at the end of the present school year, is a teacher at the Quirk Elementary School.

She has been on the teaching staff for the last 23½ years.

\$8.8 million bid taken for paving expressway

By DON HOENSHELL
Lansing Bureau Chief

LANSING — Two highway contractors jointly made the low bid of \$8.8 million for building a third lane on two miles of I-94 near Romulus.

It was one of the largest single bids ever taken by the Department of State highways.

The project was among 50 highway construction and maintenance projects on which low bids totaling \$29.2 million were taken last Friday.

It calls for partial relocation of the existing freeway between Haggerty and Ozga roads in Romulus, construction of nine bridges, utility alterations and paving.

Highway officials said it is part of a program to widen the freeway to a six-lane divided freeway from the Detroit area west to U.S. 23 near Ann Arbor.

In the same bid letting, Ministrelli Construction Co. of

Livonia made the low bid of \$1.4 million for widening and paving a 1.4 miles of Middlebelt in Inkster.

The same firm bid \$1.3 million for two miles of widening on Cherry Hill Road in Garden City, Inkster and Westland.

A project to be financed by the federal TOPICS program will make improvements at the intersection of Merriman Road and Marquette Avenue in Garden City for \$214,770. The low bidder was Macomb Concrete Corp. of Fraser.

Other TOPICS projects will be the \$169,832 improvement at the intersection of Wayne and Joy roads; Wayne Road and Ann Arbor Trail; and Wayne and Plymouth roads in Livonia and Westland. The lowest of six bidders was Oak Construction Co. of Royal Oak.

Ajax Paving Industries of Madison Heights will construct .6 of a mile in turning lanes and crossovers on Telegraph Road from south

of Eureka Road to north of Mercer in Taylor.

This project will be financed under the highway department's safety program. The low bid was \$130,940.

Leave of absence is denied

The Van Buren Board of Education has denied a request from James M. Hogan for a leave of absence to teach in Bogota, Colombia during the 1972-73 school year.

Hogan, who resides at 413 Ballard St., Ypsilanti, teaches at West Willow Elementary School.

Charles W. Bole, school board president, reported the current teacher contract doesn't provide for guaranteed employment upon return from such a requested leave of absence.

Upon Motion by Councilman Hamlin, supported by Councilman Palmer, that the following resolution was offered:

RESOLUTION

RESOLUTION APPROVING AND PROVIDING FOR THE EXECUTION OF AN AMENDMENT TO THE APPLICATION FOR LOAN AND GRANT FOR URBAN RENEWAL PROJECT UNDER TITLE I OF THE HOUSING ACT OF 1949, AS AMENDED, CONTRACT NO. Mich.R-192 (A), by and BETWEEN THE CITY OF BELLEVILLE, MICHIGAN AND THE UNITED STATES OF AMERICA

WHEREAS, the City of Belleville (Local Public Agency) has heretofore executed an application for a loan and grant for urban renewal project, and

WHEREAS, since the execution of said application Public Law 91-646 has been amended to increase relocation payments, and

WHEREAS, the Local Public Agency has given due consideration to a proposed amendment to the application for loan and grant to increase relocation payment in the amount of \$16,012.00.

NOW, THEREFORE, BE IT RESOLVED:

1. That the Mayor of the Local Public Agency is hereby authorized and directed to execute an amended application to Contract No. Mich. R-192 (A) on behalf of the Local Public Agency and the Clerk is hereby authorized and directed to impress and attest the official seal of the Local Public Agency on each such counterpart and to forward such counterparts to the Housing and Home Finance Agency for execution on behalf of the Government, together with such other documents relative to the approval and execution thereof as well as to this Resolution as may be required by the Government.

2. The Mayor is hereby authorized to file requisitions, together with necessary supporting documents, with the Government, from time to time as reports are required, and to do and perform all other things and acts required to be done or performed in order to complete the report and application.

3. This Resolution shall take effect immediately. AYES: PALMER, HAMLIN, BOONE, AMERMAN, SMITH

NAYS: NONE. Upon Motion by Councilman Hamlin, supported by Councilman Palmer, the following resolution was offered:

RESOLUTION

WHEREAS, The City of Belleville (Applicant Herein) hereby assures that it has authority under applicable State and Local law to comply with Section 210 of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, Public Law 91-646, 91st Cong. S.L. 84 Stat. 1894 (1971), and certifies, assures, and agrees that, notwithstanding any other provision set forth in any application contract, or agreement with respect to the application identified at Mich R-192 (a).

WHEREAS, Fair and reasonable relocation payments and assistance shall be provided in accordance with Section 202, 203 and 204 of the Act and applicable HUD regulations, to or for families, individuals, partnerships, corporations, or associations displaced as a result of the instant project; and

WHEREAS, Relocation assistance programs offering the services described in Section 205 of the Act shall be provided to such displaced families, individuals, partnerships, corporations or associations in the manner provided under applicable HUD regulations; and

WHEREAS, Within a reasonable time prior to displacement, decent, safe, and sanitary replacement dwellings will be available to such displaced families and individuals in accordance with Section 205 (c) (3) of the act; and

WHEREAS, Affected persons will be adequately informed of the benefits, policies, and procedures provided for under HUD regulations; and

WHEREAS, the Relocation process will be carried out in such a manner as to provide displaced persons with uniform and consistent services, and replacement housing will be available in the same range of choices with respect to such housing to all displaced persons regardless of race, color, religion, or national origin, and

WHEREAS, the costs to the applicant of providing payments and assistance hereunder shall be borne in accordance with Section 211 of the Act, and

WHEREAS, the Applicant will execute such amendments to applicable contracts and agreements and execute, furnish, and be bound by such additional documents as the Secretary of Housing and Urban Development shall determine necessary to effectuate or implement the assurances provided herein.

NOW, THEREFORE BE IT RESOLVED, that this document is hereby made part of and incorporated in any contract or agreement, or any supplements and amendments thereto, relating to the above identified application and shall be deemed to supersede any provisions therein to the extent that such provisions conflict with the assurances or agreements provided herein.

Negotiators named by board

The Van Buren Board of Education has appointed its negotiating team representatives to negotiate new employment contracts for the 1972-73 school year for secretarial, clerical and transportation personnel.

The school board appointed Mrs. Doris J. Roe and Dr. Richard R. Muse, present members of the Board of Education, to work with Irvin Von Destinon, school district business manager, a contract talks relative to secretarial clerical employees.

School Board Members Elwood J. Bos and Robert K. Archer will work with Von Destinon on contract talks involving employees of the transportation division. The negotiating teams of the

school board and the Van Buren Education Association, representing the school district's teachers, held their second negotiating session last week.

Coast Guard taking women

The U.S. Coast Guard's Ninth District Recruiting Offices have announced that, for the first time in several years, it will accept applications for the women's Reserve Division, the SPARS. Further information is available at any Coast Guard Recruiting Office listed in the white pages of the local telephone book under "U.S. Government-Department of Transportation."

In Belleville

R. Bird runs for school post

Ralph A. Bird of 46470 Bemis Rd., Belleville, has filed nominating petitions for one of two positions on the Van Buren Public School District's Board of Education.

He is one of five candidates, including two incumbents, who are seeking election to the school board in the June 12 school election.

Bird, a 1942 graduate of Belleville Senior High School, is an employee of Draw-Tite Division of Hoover Ball & Bearing Co. in Belleville.

He is chairman of the Van Buren Civic Association and active in the Boy Scout movement. He is a World War II veteran and has resided in Belleville for 47 years. Bird and his wife Arlene, are the

parents of four children.

Brief backgrounds on the other candidates were published last week.

County bars WCGH supplier

The major supplier of medications to Wayne County General Hospital has been barred from doing further business with the county for a second time for failure to meet the county equal employment standards.

National Wholesale Drug Co. was ruled ineligible for county contracts May 10 by the general government committee of the County Board of Commissioners. The firm may appeal for review by the full board. Company representatives, though notified, did not attend the meeting.

Action was taken upon recommendation by the Wayne County Office of Human Relations, which was established by the Board of Commissioners to enforce the job equality requirements adopted by the board.

In asking that the drug firm be disqualified, the human relations staff submitted a list

of a total of 35 contracts with company officials since December, 1970.

In April, 1971, the company was disqualified for failure to submit a requested affirmative action plan for hiring and upgrading nonwhite workers.

The firm was reinstated temporarily as a bidder for county business in July, 1971, after submitting a plan and agreeing to revisions.

The latest disqualification was based on a human relations staff report that the company had met none of the commitments it made last July despite nine contacts since then. It was found that the firm had 10 less minority employees in February, 1972, than it had in April, 1971, the staff reported.

The drug firm was the low bidder for \$84,000 worth of county business from September to November, 1971.

Post offices to close

The area post offices will be closed on Monday, May 29, in observance of Memorial Day, a legal post office holiday.

No window serve will be provided. City and rural carriers will not make deliveries.

Special delivery mail for city delivery addresses will be

delivered, and holiday schedules for the dispatch of mail will be served.

The post office lobbies will be open from 1 to 5 p.m. for the convenience of post office box holders for the deposit of mail and for use of the stamp dispensing machine.

MYSTERY SOLVED — Children at the recent Hayti Elementary School fair finally have solved the mystery of who was inside the Snoopy suit, the highlight of the fair's theme, "Snoopy and His Friends in Storybook Land."

After a week of guessing, Mrs. Carole Rarick of Romulus, a member of the school's PTA, reported she was the person who made and wore the Snoopy costume. Mrs. Donna Lee Zavitz (right) is with Snoopy.

Three Eagle Scouts to be named tonight

Three members of Boy Scout Troop 754 sponsored by the Quirk Road Elementary School became Eagle Scouts today (Wednesday).

They are David and Tom Bauer, sons of Mr. and Mrs. Gaylord Bauer of 10226 Clayton Rd., Belleville, and Tim Sole, son of Mr. and Mrs. Hughie Sole of 10000 Clayton Rd., Belleville. They are the first Eagle Scouts of the troop.

David has been an active scout for eight years. He began his scouting

experiences as a Cub Scout at the Quirk School. He is a sophomore at Belleville Senior High School and attends church at the Zion Missionary Church of Belleville. He will be presented with his Eagle Scout Award by George Haft of Belleville.

Tim started scouting seven years ago with Cub Scout Pack 754. He has completed all his merits with this troop. Tim is in the ninth grade at North Junior High School, Belleville, and is active in the band and school sports. Keith Peters, pastor of the

First Christian Church of Ypsilanti, will present Tim with his Eagle Scout Award.

Tom attends the North Junior High School where he is an eighth grade student. He has been active in scouting for six years. Tom is an honor student and plays all sports at North Junior High School.

He will be presented with his Eagle Scout Award by James Richendollar, principal of North Junior High School.

Howard Bauer of Belleville is the scoutmaster of Troop 754.

Huron High announces top graduating pupils

The two top scholars of the 1972 graduation class at Huron Senior High School have been announced by school Principal William D. Miller.

Glacier lakes

Most of Minnesota's lakes were formed by the advance and retreat of four huge glaciers that gouged out beds and left great ridges to hold the water.

Seniors plan supper

The Romulus Senior Citizens Club, sponsored by the Department of Parks and Recreation, is preparing for an entertainment night to include live music and supper.

A definite time and date have not been set yet.

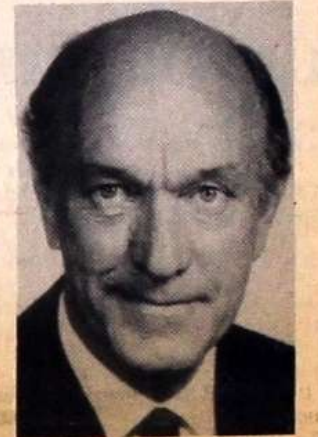

Frank J. Tolish, director of the parks department, announced the State of Michigan History Mobile will be in Romulus from June 5-12. The mobile will be parked in the Romulus Civic Center parking lot, located at 11111 S. Wayne Rd. There is no admission charge.

For further information, call the Parks and Recreation Department at 941-0666, Extension 46.

Chandler receives certificate

Sheldon L. Chandler Jr. of 9261 Ozga Rd., Romulus, received a course certificate at last Friday's 20th annual AMTC Night of Wayne State University's Applied Management and Technology Center.

Certificates were presented to 223 men and women who have completed courses as well as special sequences in numerical control technology and data processing.

NEW PR MAN — Robert A. Hoving of Grand Rapids has been appointed director of public information for the Detroit Edison Co. For the past seven years, Hoving was a correspondent in the Booth Newspapers' Washington bureau. He had been with Booth for 27 years in various editorial capacities. A U.S. Navy veteran, Hoving is married and has three children.

Winners announced

The winners of a recent rocket race sponsored by Cub Scout Pack 231 at the Trinity Episcopal Church of Belleville have been announced.

Plaques were presented to first place winners Randy Brown for design and Jeff Kohr for speed. Second and third place ribbon winners went to Chris Mendel and Ray Florian for design and Rex Pflieffer and Charles Smelt for speed.

John Freysinger presented Webelos craftsman awards to Tim Whittico, Tom Bailey, Ed Freysinger and Charles Smelt.

Other awards were presented to David Stamper, who received a silver arrow point for the Bear rank and Phillip Smelt, who earned a Wolf badge. New member, Edgar Elder became a Bobcat.

IN REMEMBRANCE — Thomas Nowak, past commander of VFW Post 4434 of Belleville drops a wreath of flowers into Belleville Lake in memory of members of our Naval forces who died defending their country. The post's guard of honor

participated in the ceremonies on Denton Road bridge Sunday afternoon. The ceremony was part of the area's annual Memorial Day parade.

SPECTATORS GALORE — Belleville's annual Memorial Day parade attracted residents not only from Belleville but from

surrounding communities. Both sides of Main Street in Belleville were lined with spectators viewing the annual event.

Federal grant announced

A \$13,124 federal grant to the Michigan Civil Service Commission to staff administration of the Federal Intergovernmental Personnel Act was announced today.

I.P.A. is designed to improve the quality of public personnel administration. State Personnel Director Sidney Singer said the funds will be used to gear the Michigan program for "a more timely and thorough review" of proposed projects and supervise allotment of \$432,000 in a federal grant to Michigan this year.

I.P.A. is funded by Congress to provide temporary interchange in assignment of employees between federal, state, and local government, to establish cooperative recruitment and examining programs and to upgrade training of public employees.

Heroin Hotline set up

President Nixon recently announced the establishment of the "Heroin Hotline," a nationwide toll-free telephone number to provide citizens with a quick and convenient way to report information on heroin pushers.

That telephone number is (800) 368-5363. The telephones are manned at a center in Washington around the clock, seven days a week.

Trained operators on duty are under the supervision of experienced federal agents. The caller need not identify himself, and the rights of all callers will be fully protected.

Cooking contest deadline

The deadline for submitting recipes in the "King of the Patio" contest sponsored by the Detroit Edison Co. is May 30.

All males 18 years and over living in Southeastern Michigan are eligible except professional cooks, chefs, employees of the Detroit Edison Co. and their immediate families.

The contest is for the best recipe for a dish to be cooked outdoors. Entries must be postmarked no later than midnight, May 30.

Ten finalists will be chosen. They must be able to compete in a cook-off in the Edison building in Detroit on Thursday, June 15.

17 fire calls are reported

During the month of April, Van Buren Township's Fire Department 1, located in downtown Belleville, had 17 fire calls, according to Bert G. Smith, department secretary.

The fire runs consisted of eight grass fires, two trash fires, one house fire, two auto fires, two truck fires and two false alarms.

The total payroll for the month was \$1,615. The department is manned by volunteer help.

St. Anthony's elects officers

The Men's Club at St. Anthony's Catholic Church of Belleville has announced the election of officers for the 1972-73 year.

The newly-elected officers are Jack Burcroff, president; Jerome Fay, vice-president; Richard Krug, secretary; and Jack Loria, treasurer.

Parishioners John Duff and Robert Hoelt Jr. were elected trustees.

School bus to be replaced

The replacement of a school bus damaged in an accident in which two Van Buren students were killed has been approved by the Van Buren Board of Education.

The 1969 school bus will be replaced with a new one at a reported cost of \$5,050.

The accident happened about three weeks ago at Belleville and Ecorse roads.

'Y Women' hold sale June 5-6

The "Y World of Romulus Women" will hold a Trash or Treasure Sale between 9 a.m. and 6 p.m. on Monday and Tuesday, June 5 and 6, at 9296 Chamberlain, off Wick near Wayne Road.

According to Mrs. Rosemarie Plocki, chairman, proceeds from the sale will help build a treasury to further the objectives and activities of the group. Among the future plans will be a Healthorama scheduled for fall.

Objectives, said Mrs. Plocki, are "to develop pride in our city and initiate awareness and concern for our community and our people. As a didactic group, we strive to generate enthusiasm and expanded interests within our community and others," she stated.

Anyone wishing to contribute children's items, household appliances, dishes, white elephants, etc. may bring them to the Chamberlain address on Thursday, June 1.

Belleville teacher gets grant

A science teacher at North Junior High School in Belleville has been awarded an eight week grant from the National Science Foundation to study introductory science methods at Wayne State University this summer.

He is Frederic Newstead of 870 Ford Rd., Ypsilanti. Newstead teaches ninth and tenth grade biology, earth science and physical science. He has taught in the Van Buren School District for 15 years.

Nile perch, weighing up to 200 pounds, still are caught in Kenya's Lake Rudolf.

ONE OF MANY UNITS participating in the annual Memorial Day parade Sunday in the City of Belleville was Boy Scout Troop 821, sponsored by the Haggerty Road Elementary

School. They are shown as they pass down Main Street in Belleville with the colors of the troop.

VBEA, school board agree to 72-73 dates

The Van Buren Education Association (VBEA) and the Van Buren Board of Education negotiating teams have agreed on the school calendar for the 1972-73 school year. The calendar dates are:

Teachers report on Aug. 30, students report on Sept. 5, Thanksgiving recess (Nov. 23-24), Christmas recess (Dec. 23-24), record day on Jan. 26, Good Friday on April 20 (no school), Easter Recess (April 23-27), Memorial Day on May 28, commencement on June 6, School closes on June 8.

On other recommendations by the VBEA, the school board took no action, VBEA President, Sanford Cook, reported.

In the second and third recently held meetings, the education association has presented recommendations in the following areas:

Professional dues, professional conferences, visitation days, junior high school extra curricular schedule, health and disability insurance, mileage compensation for traveling teachers, telephone privacy,

orientation of new teachers, guaranteeing constitutional rights of teachers, reimbursement of damaged personal property, revaluation of extra curricular schedule, department chairman at all educational levels.

Substitute teacher pay and evaluation class-size vending machines in schools, guaranteeing sufficient classroom textbooks and material, allocation for in-service training, basic

classes, release time for teachers developing new curriculum, vacancies, promotion and transfers.

The negotiating teams are meeting on a regular weekly basis, Cook said.

The Camp Fire Girls Detroit-Area Council will hold its "Our Festive Fiftieth-1922-1972" dinner and meeting at 6:30 p.m. Monday, June 5, at the Roostertail, 100 Marquette Dr., Detroit.

Mrs. Katherine Gribbs, Detroit's First Lady, will be the guest speaker. Reservation deadline is May 26. Tickets are \$6 per person.

Board hopefuls want advisory busing vote

Two Romulus residents, candidates for the Romulus Board of Education in the June 12 election, appeared before the Board of Education Monday night and requested an advisory vote on the busing issue.

The candidates are Jack A. Bath of 32115 Bruce St., Romulus, and Hulen Yates of 15555 Colbert St., Romulus.

In asking for the advisory vote, the two stated "that even if this has no force under the law, if people are allowed to speak out in this manner, the politicians are more apt to hear their voices and pay heed."

Both Bath and Yates are opposed to busing to achieve racial balance. Bath said, "We already bus children in Romulus. I believe that local school districts must maintain local controls."

HULEN YATES

JACK A. BATH

"Nothing will be solved by busing," Yates said. "If education is lacking in a particular school, we believe we should bus the teachers."

When questioned, they also

stated they favored House Bills 5041 and 5042. One would prohibit executive sessions of school boards, and the other would make all school records open to the public for inspection.

Smith will oppose hike

Mayor Royce E. Smith of Belleville announced Monday he will oppose any increase in current water rates to finance water development programs that do not benefit Belleville.

The mayor's comment was made after reporting he and Ellis Amerman, councilman and water commissioner will attend a dinner-meeting sponsored by the Detroit Board of Water Commissioners.

The dinner-meeting is scheduled for Thursday, June 1, in Room 3037 at Cobo Hall. Registration and an open reception will begin at 5 p.m., followed by dinner at 6 p.m. The purpose of the meeting is to discuss with representatives of each

community served by the Detroit Metro Water Department the status of the water development programs, a proposed increase in water rates and related items.

In commenting on a proposed water rate increase, Mayor Smith said, "I am going to oppose any increase in our present water rates charged by the Detroit Water System to finance development programs for other areas than Belleville."

especially when the city receives absolutely no benefit from such development."

The mayor recalled that the Detroit water system some time ago increased water rates to finance its improvement programs to serve other areas, which brought no benefits to Belleville.

Voc-ed program telecast planned

A half-hour television program on vocational education in Wayne County, "V.E. and Tomorrow's Teenagers," will be aired Thursday on Channel 56 at 9 p.m.

The telecast, an informational discussion about the need for more vocational - technical education programs in Wayne County, is the first of two programs scheduled to provide information on the

upcoming one-mill proposal for vocational education centers.

Participants in the Thursday program will be Don Leverenz, director of the Wayne County intermediate vocational - technical education program; Toby Ferguson, director, Dearborn, vocational - technical education, and Earl Laich, director, downriver vocational-technical program.

The telecast stresses the Wayne County Intermediate School District's position that present high school vocational programs are limited and cannot offer the training now demanded.

The intermediate school district is proposing the one-mill levy for four area vocational centers. The proposal will appear on the June 12 school election ballot. Voters in the Garden City, Inkster, Wayne, Westland and Canton areas will see it on their ballots.

An informational pamphlet on vocational education needs and proposals for Wayne County is available by writing to: CAREERS, Box 1000, Wayne, 48184.

OLD FASHIONED MELODRAMA — A vaudeville review and the musical "No, No, A Million Times No" will complete the bill as Stevenson Junior High School presents its annual all-school musical May 25 and 26. The curtain rises at 7:30 p.m. in the high school auditorium. Thoroughly enjoying participation in the production are these Stevenson students: (from left) Linda Roussakies, Ed David, Jeanne Wrobel, Eric Garner, (seated) Delores Newsome and Mike Swain.

Culinary arts program originator writes book

Harman A. Breithaupt, the man who designed the culinary arts program at Schoolcraft College, has authored his third book, released this week during the

National Restaurant Association convention in Chicago.

The book's title is "Chef Herman's Story: How We Started Students on Successful Foodservice Careers." His previous books have been textbooks for use by senior high schools.

Chef Herman's son, Robert, who directs culinary arts and foodservices at Schoolcraft, collaborated on the new book.

He said it was not available yet in local bookstores, but that the author and his work will be featured by J.L. Hudson's downtown store in the near future.

Breithaupt's association with the college began in 1965 when he served as a consultant to design the program his son now directs. Before that he was for 30 years director of the commercial foods program at Chadsey High School in Detroit.

Bonstelle features Garden City man

Harold Jurkiewicz, 32120 Pardo, Garden City, is currently appearing in the Bonstelle Theatre's production of Peter Weiss' "Marat-Sade," an epic drama.

Jurkiewicz graduated from West High School in Garden City and attended Henry Ford Community College in Dearborn. Although this is his first appearance on the Bonstelle stage, he is not new to acting. He has previously been seen as Scott in "What Did We Do Wrong?" for the Gaslight Dinner Theatre in various U.S. cities.

He has also worked for the Gateway Playhouse in Bellport, N.Y. There he

appeared in such roles as The Barber in "Man of La Mancha" as Henry in "The Fantasticks" and as Lord Brockhurst in "The Boy Friend."

In addition to his acting, Jurkiewicz has also directed two productions: "Your Own Thing" and "Skin of Our Teeth." In "Marat-Sade" he plays an inmate and the character role of the school master.

An added feature to the production itself is a one-man art exhibit by Tricia Lancia. Ms. Lancia will be coordinating her works of art in such a manner as to compliment the style of "Marat-Sade."

Tickets at \$2.50 evenings and \$2 for the matinee are on sale at the Wayne State University Theatre Box Office, Cass and Hancock, or through J.L. Hudson ticket offices.

East High students plan art exhibition

Art students at Garden City East High School are completing final plans for the 19th annual Arts and Crafts Exhibit to be held at the school gymnasium from May 31 through June 2.

This year's show will include more than 400 entries of original student art work from several categories of media and style.

In the painting classification, the entries will include creative work in oils, acrylics, tempera, watercolor and casein. Subject matter for these paintings will include still life, figure renderings and several styles of abstract and contemporary effects and moods.

Drawings of numerous types in a wide range of media will also be displayed. Ink drawings, felt pen, pencil, pastel, charcoal and oil chalk entries will be available for public view.

In three dimensional and craft category, students will be displaying projects created in wood, wire, clay, wax and numerous other materials.

The sculpture entries will involve numerous styles and media including ceramic

selections, plaster, direct wood carving and direct armature sculptures. There will be student work displayed in the areas of commercial art, life drawing and portraiture as well as several stitchery projects.

The exhibit will be held in

the south gymnasium at East High starting on May 31 from 6 to 9 p.m. and will continue through June 2 from 9 a.m. until 3 p.m. and 6 to 9 p.m. The public is invited to view the work of East High art students. There is no admission charge.

"BEST CAR I EVER OWNED" — Johnny Cash may be getting his favorite automobile back if Chrysler-Plymouth's search for a 1954 Plymouth Savoy is successful. The auto firm is offering to trade a 1972 Plymouth Fury for the 18-year-old car so that it can be given to the country singer.

1954 auto is object of search

A nationwide search is under way for the best 1954 Plymouth Savoy still in operation.

The car, if found, will be given to country singer Johnny Cash, who claims the 18-year-old vehicle is the best car he ever owned.

The search is being conducted by Chrysler Corporation, which built the auto. The firm is willing to make an even trade for 1972 model for the best conditioned older version that is found.

F. G. Hazelroth, general manager of Chrysler's Plymouth Division, explained the search is being conducted

to show the company's appreciation for comments the singer made about the automobile in recent commercials.

Hazelroth said that 139,383 autos of that make were produced. The winner of the contest will receive a 1972 Plymouth Fury.

Any owner of a 1954 Plymouth Savoy is urged to photograph the car and have the pictures verified by a dealer before submitting them. Contest headquarters in Detroit are: Johnny Cash, P.O. Box 1954-A, Detroit, Mich., 48232.

Summer dance workshop slated

The annual Summer Dance Workshop sponsored by the Division of Health and Physical Education, Wayne State University, and

University Center for Adult Education (WSU-UM) will be offered June 19 - 30 in the WSU Matthaei Building.

Visiting artists who will conduct the workshop are Barbara Roan of the Ruddy Perez Dance Co. and Ellen Robbins of the Mary Anthony Dance Co. Both are also members of the Rod Rodgers Dance Co.

Classes will meet in the afternoon from 1 to 4 and 6 to 9 in the evening. All work will be on an intermediate or advanced level.

Students may enroll for either afternoon or evening sessions, or both. Fee for a single class is \$40; both sessions together are \$78.

College credit may be earned by special arrangement. For further information call 577-4665.

UGLY IS ONLY SKIN DEEP — John Wright displays good sportsmanship by smiling as yearbook editor Sue Fry crowns him as the ugly man contest winner at East High School in Garden City last week. More than \$100 was raised during the contest to help defer the cost of publishing East's school yearbook. In addition to the crown, Wright earned a royal robe and scepter along with a great deal of verbal abuse from his classmates.

WINNING PATRIOTIC POSTERS — The winners of the third annual patriotic poster contest, sponsored by the John M. Wahl Chapter of the Women's Relief Corps, were selected Monday. The winners are Mary Betsinger (left) of 46537 Ecorse Rd., Belleville, first place; Dan Dudick (second from

right) of 257 Roland St., Belleville, second place; and Drew MacDonald (right) of 45250 Venetian Dr., Belleville, third place. With the winners is Mrs. Ruth Ann Knysz, (second from left), chairman of the Patriotic Committee of the John M. Wahl Chapter. The winners attend Belleville High School.

At 4-H Fairgrounds

Horse show Saturday

The annual horse show sponsored by the Wayne County 4-H Horse Leaders Association, Inc. will be held on Saturday at the Wayne County 4-H Fairgrounds, located at Quirk Road and the I-94 Expressway.

The show will start promptly at 8:30 a.m. rain or shine. Chairman Wayne Pankey of Belleville announced.

The horse show will have contests in 25 categories. The entry fee for all classes is \$2. A trophy and six ribbons will be awarded in all scheduled classes.

Admission to the horse show is \$1. An exhibitor with horse will be admitted free. Children under 10 years of age also will be admitted free.

The annual horse show is the

association's only means of obtaining funds to further improve the 4-H horse program and to help make improvements at the 4-H Fairgrounds. This is made possible only by the efforts of some 4-H clubs in Wayne County by way of sponsors, friends and advertisers in the horse show program book.

At the present time, the association has committed itself to getting a new horse barn built by the time the 4-H Fair is held in August.

The chairman of the horse barn project committee is Steve Cappuccio of Romulus. Lowell Neely, Don Curry, both

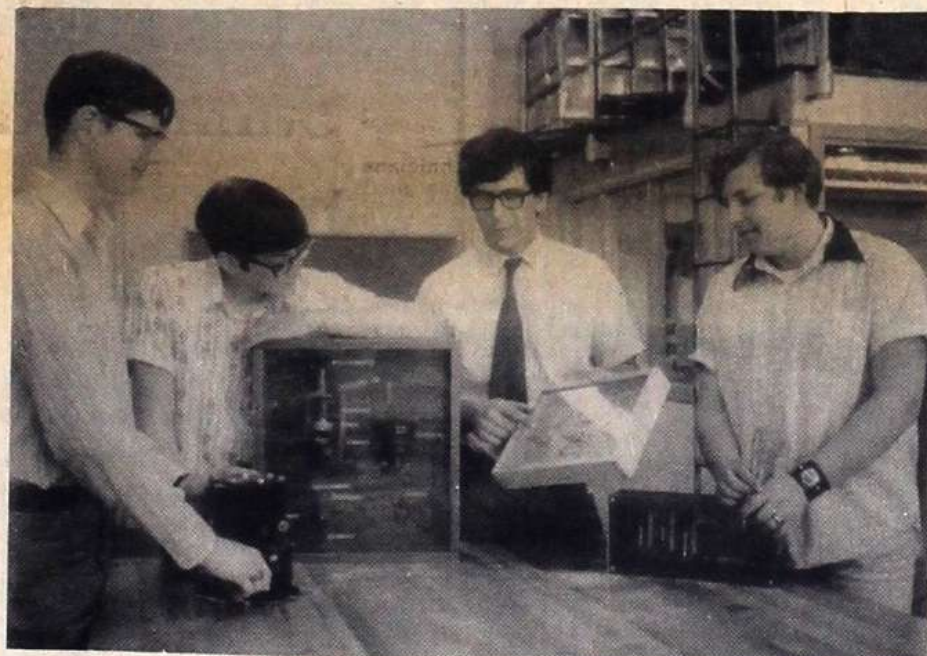

of Belleville, and Christian Fischer of Romulus are members of the committee.

The judge for this year's show will be Joseph W. Bailey Jr. and ringmaster will be Mike Pankey of Belleville. Mrs. Ella Cappuccio of Romulus will serve as show secretary, and Mrs. Helen Curry, Mrs. Bonnie Neely, Mrs. Rosemary Fischer and Mrs. Tony Cappuccio will handle all entries and records.

Mrs. Edith Earehardt and members of her 4-H Club are in charge of trophies and rosettes. The Bronco 4-H Club of Belleville will be at the gates.

The Wayne County 4-H Horse Leaders Association, which became a reality in 1967 with the approval of the Michigan Cooperative Extension Office, holds its meetings on the second Wednesday of each month at 4-H Fairgrounds unless designated otherwise. Meetings begin at 7:30 p.m.

Present officers of the association are Christian Fischer of Romulus, president; Wayne Pankey of Belleville, vice-president; Edsel Beatty of Belleville, treasurer; and Mrs. Ella Cappuccio of Romulus, secretary.

STUDY AIDS—Three Belleville High School students construct display cases for various small gasoline engine components. The cases will be used as study aids in the teaching of small gasoline engines in the material

processing course at the school. The students are (from left) Randy Jordan, Brian Shepard, Don Uchman, class instructor; and Ritch Stiver.

A better way to clean carpets?

OF COURSE THERE IS!

Yes, for years "scrubwomen" used scrub brush, soap. Her replacement, so called "shampoo" machines used motor driven scrub brush, shampoo. Both only "surface cleaned," didn't remove dirt from deep in carpet fibers. Brushes caused extra wear, matted carpet pile, changed texture, left subsurface dirt in carpet. Carpet was only half clean.

THE ULTIMATE IN CARPET CLEANING

Steam-Way's revolutionary new deep clean extraction method doesn't use harsh brushes. Flashed steam goes deep into carpet to dislodge embedded dirt. Vacuum picks up dirt solution, transfers it to storage tank. Cleans from bottom up, not top down. Steam-Way makes your carpets the "Cleanest Clean You've Ever Seen."

Dancers entertain mothers

The Sherylaettes of the Sheryl School of Dance entertained at the St. Aloysius Mother and Daughter Banquet in Romulus last Wednesday evening (May 10). There was also a performance by the Junior Sherylaettes, and both groups were well received by the audience.

Corsages were awarded to the following: Oldest mother, Mrs. W. DeMara; youngest mother, Fran Charboneau; youngest grandmother, Mary Dolencic; mother with most daughters, Mrs. Sammie Bonam with six; mother of youngest daughter, Judy White. Lucky ticket holders received prizes donated by Romulus Hardware, Ozga Greenhouses and Hooks Cleaners.

The Datsun 510 is a champion. It's also a wagon.

Datsun 510 Sedan. Winner: 1970 East African Safari. Winner: 1971 2.5 Trans-Am championship. Datsun 510 is also available as a wagon, with lots of the features that help us win races. Overhead cam engine. Safety front disc brakes. Solid unibody construction. Plus, comforts you expect: all-vinyl interior. Tinted glass. Whitewalls. And more, included in the price.

If you need a hard-working wagon, drive Datsun 510. It sure beats whatever's second.

Huron drug abuse curriculum meet Friday at school

A meeting to develop the third phase of a K-12 drug abuse curriculum for the Huron School District will be held from 12:30 to 2:30 p.m. Friday.

"The development of the drug curriculum is the third phase of the school district's attack on drug abuse," said Roger Benner, community-school director.

"Phase one and two dealt with a teacher in-service workshop on drug abuse and the development of a recreation committee to provide alternative activities to the students," said Benner, who will conduct the Friday meeting.

The session will be held in the community-school offices at Huron High School.

THREE GENERATIONS - The Hootens, operators of the Belleville Kentucky Fried Chicken, recently attended a spring training seminar at the Roadway Inn, adjacent to the national headquarters of the KFC Corp. in Louisville, Ky. Attending were Ted G. Hooten (right), father of Ted E. Hooten, his son, Ted J., 4, son of Ted E. and Marian Kay Hooten of 49 W. Wabash St., Belleville, is held by Col. Sanders.

Huron junior picked to attend Girls State

Bonnie Fuller, a junior at the Huron Senior High School, has been selected to attend the American Legion Auxiliary Girls State to be held on the campus of Olivet College, June 11 - 18.

Bonnie is the daughter of Mr. and Mrs. Warren Fuller of 20885 Vining Rd., New Boston. She was chosen by the Huron

Unit No. 231 of the American Legion Auxiliary. For seven days the girls attending Girls State will play the role of junior politicians and build a unit of government, electing from their own representatives, city, county and state officials for a model state.

Under the sponsorship of the American Legion auxiliary,

the girls will be assigned to cities, petition for offices, form party platform and caucus their way into a whirlwind week of self-government.

At the close of their session two girls will be selected to represent Michigan at Girls Nation to be held at the American University in Washington, D.C.

Huron to graduate 144 students on June 14

Legislators' tally sheet

Each week the Belleville Enterprise and Romulus Roman will list a tally of local legislators' voting - both state and national - on major roll call issues in Lansing and Washington D.C. respectively during the previous week.

The legislators include State Sen. William Faust (Democrat - 13th District) for the cities of Belleville and Romulus and townships of Huron and Van Buren; State Sen. John E. McCauley (Democrat - 12th District) for Sumpter Township; State Rep. Edward E. Mahalak (Democrat - 38th District) for all of the above listed areas; U.S. Rep. William D. Ford (Democrat - 15th District) for all of the above listed areas, and U.S. Senators Philip A. Hart (Democrat) and Robert P. Griffin (Republican) for the State of Michigan.

A synopsis of the measures will be published, followed by their disposition and local legislators' actions.

STATE SENATE (Week of May 15 - 19)

Senate vote on House bill creating a water resources commission to protect and conserve the state's water resources. The commission will have control over the pollution of the Great Lakes and inland lakes, rivers and streams. Passed, 27-5. Bill returned to House for concurrence on minor amendment. Yea-McCauley. No vote - Faust.

Senate vote on House bill creating and regulating wilderness, wild and natural areas. Passed, 26-3. Bill sent to governor. Yea - McCauley. No vote - Faust.

STATE SENATE (Week of May 8-12)

Senate vote on House bill redrawing Michigan's 19 Congressional districts to favor generally Senators Bowman, Cooper, Zollar. Passed, 20-17. Bill eventually negated in court. Yea - Faust, McCauley.

STATE HOUSE OF REPRESENTATIVES (Week of May 15 - 19)

House vote on House bill to require certain notices of meetings of public bodies. Bill would order political bodies to advertise meetings in local newspapers and through local broadcast media. Defeated, 36-57. Yea - Mahalak.

House vote on House Joint Resolution LLL ratifying the proposed amendment to the U.S. Constitution forbidding discrimination on the basis of sex and establishing equal rights for women and men. Passed, 90-18. Yea - Mahalak.

STATE HOUSE OF REPRESENTATIVES (Week of May 8-12)

House vote on House concurrent resolution honoring Irene McCabe for her dedication in working for an end to busing of school children for racial balance. Passed, 61-28. No vote - Mahalak.

House vote on House bill requiring that records of governmental acts and functions be open for public inspection. Passed, 67-30. Yea - Mahalak.

House vote on House bill establishing an educational program on adjusting to retirement. Passed, 80-16. Yea - Mahalak.

U.S. SENATE (Week of May 15-19)

Senate amendment to require an internationally supervised cease fire as part of a proposed cutoff of funds for the Vietnam War. Passed, 47-43. Yea - Griffin. Nay - Hart.

U.S. HOUSE OF REPRESENTATIVES (Week of May 15-19)

House bill to authorize \$643 million for the state department and \$200 million for the U.S. Information Agency. Passed, 305-65. Yea - Ford.

House measure to cut United States payments to the United Nations and its agencies by \$28.8 million. The reduction would represent a drive to reduce the United States' current share of financing the U.N. budget from the present 31.5 per cent to 25 per cent. Passed, 202-156. No vote - Ford.

Belleville woman named Torch head

A Belleville homemaker has accepted one of the top leadership positions in the United Foundation's 1972 Torch Drive campaign. Mrs. James B. Fruit, 41 N. Edgemont, will head the West unit, which includes all of Wayne County including the downriver communities and the city of Highland Park.

She will supervise the total campaign within her area, choose section chairmen and establish training procedures for the volunteers in her unit.

Last year \$863,000 was raised by the residential solicitors out of the grand total of \$31.4 million.

The Torch Drive, which benefits 164 agencies and services in the three-county community, will begin Oct. 17

All-Area track meet is set for today

Wayne to host 5th annual

Let's see now, who deserves to be on the coveted 1972 All-Area Track Team?

Robichaud's Andre Jacobs, who ran a 9.7 in the 100-yard dash earlier this season? Or Glenn's Jim Lockwood, a 1:59.6 performer in the 880-yard run? How about Wayne Memorial's Joe Keister? He's been clocked at 49.5 in the 440-yard dash.

Do you feel you can beat these high school track stars, and others?

Then, today, May 24 at 5 p.m. show up at Wayne Memorial High School and prove it. On the 24th, The Daily Eagle and The Associated Newspapers will sponsor its Fifth Annual All-Area Track Meet.

The meet is designed to pick the best high school track athletes in the area and designate them as such. The

track and fields events will be conducted in the 15 events that are run in Michigan high school competition and under the guidelines of the Michigan High School Athletic Association.

Athletes who place first in each of the events will be awarded medals. Engraved on the first place medals will be "All-Area." The next four place finishers will also be awarded medals.

The top three relay teams in each relay will also be awarded medals.

All high school athletes who attend schools where The Daily Eagle or The Associated Newspapers are circulated, namely, Inkster, Robichaud, Cherry Hill, Garden City East, Garden City West, Wayne Memorial, Westland John Glenn, Livonia Churchill and

Franklin, Belleville, Romulus and New Boston Huron are eligible to compete.

No team scores are kept. Coaches at the mentioned high schools are urged to send their entries to Wayne Memorial Coach Bill Hawley who, along with John Glenn assistant Coach Jerry Szukaitis will be in charge of setting up heats and staging the meet.

Entries should be given to Coach Hawley. The entries should stress the athlete's name, the event he wishes to participate in and his best time or performance.

The qualifying standards for the meet are as follows: 880-relay (1:35.0), 880-yard run (2:05.0), 120-yard high hurdles (16.5), mile-run (4:45.0), 100-yard dash (10.5), 440-yard dash (53.5), 180-yard low hurdles (21.5), two-mile run (10:15.0), 220-yard dash (23.6), mile relay (3:35.0), 440-yard relay (46.5), shot put (45 feet), pole vault (11 feet, 6 inches), high jump (5 feet, 8 inches), long jump (19 feet, 6 inches).

Belleville's injury-marred track season came to an abrupt end last week as the Tigers found themselves in the cellar of the expanded Suburban 8 Conference.

At the conference meet Coach Ken Head's aggregation failed to muster a single first place. Dearborn, loser to Edsel Ford during the dual meet phase of the season, whipped up 87 points to earn the championship.

Following the newly-crowned champ, in order, were: Allen Park (69), Edsel Ford (67), Redford Union (58), Plymouth (47), Trenton (35), Livonia Bentley (16) and Belleville (11).

The league doesn't count the dual meet season.

A FEMINIST MOVEMENT? — Romulus Coach Zane Kuryliw is hoping to give his tennis team an added punch this year and in the future by rounding out the lineup with three girls, including Mary Ann Ryznar (above). The Eagle mentor says the girls have "plenty of potential," and the girls proved it last week as they won their first match - against Dearborn Heights Robichaud.

Cherry Hill '9' ousts Romulus from tourney

Romulus unleashed a 17-hit assault against former Twin Valley Conference rival Ecorse to chalk up its most impressive victory of the current campaign 14-2 last Thursday. The Chiefs however dropped three cliffhangers prior to the Ecorse confrontation.

Coach Bill Cuhran's Eagles fell 3-2 to Ann Arbor Pioneer, surrendered a 1-0 decision to Riverview, while found themselves on the shortend of a 5-4 decision with River Rouge last week.

"We have collected a total of 36 hits in the last four games, but only have on victory to show for it," moaned Coach Cuhran.

In that lopsided decision over Ecorse, Larry Hale hammered a homer and double and was perfect in three appearances at the plate. He also scored four times. Mate Manuel DeLarosa also scored four runs in this three for four outing at the plate. Virgil Smith carved out three hits in four times at bat and brother Bradley came up with a bases-loaded double in the fourth.

Bob Eves, Romulus' starter, threw only 28 pitches in five innings to get credit for the victory. Mark Groves stepped in and pitched the final two frames.

The Eagles rallied for two runs in the seventh but fell short against Pioneer 3-2. The rally, sparked by Frank Polka's single, a double by Larry Hale, a throwing error and a single by Manuel DeLarosa accounted for the runs.

Pioneer scored single runs off of losing pitcher Tom Madej in the second, fourth and fifth frames. Madej gave up six hits, walked three and fanned one batter.

Riverview had to work nine innings for its 1-0 victory over the Eagles. They scored off of reliever, Sam Ruffolo

who pitched the last six stanzas, taking over from Mark Groves. Steve Pollard started on the mound and went two innings, then Groves stepped in.

The downriver power scored the winning run on a walk, sacrifice, hits batsman and a two-out single.

Hale accounted for three of his team's five hits.

"Every game we have played has been close and the Riverview game was the best high school game I had ever seen."

A couple of mental mistakes led to Romulus ninth inning downfall against arch-rival Rouge. Madej was tagged for the loss as he pitched six hit ball. His mates committed three errors that spelled disaster.

Hale's two-run homer seventh inning homer sparked the Eagles' attack. Marty Vaughn had two for three and Mike Bilbrey, accounted for two hits in five trips.

Cherry Hill floundered through the Tri-River Conference where Coach Jess Shough's Spartans managed to win only one of their 14 games.

But the cellar-dweller had enough hitting power in them Friday to erase Romulus 8-6 from the state baseball

tournament's qualifying round. The victory earned for the Inkster based high school a shot at John Glenn in the pre-district. The game is scheduled for May 27.

Six walks in the third inning that helped Cherry Hill to put four runs on the scoreboard killed Romulus, which, at one time, trailed 8-1 in the ball game.

Mike Perkins, Cherry Hill's starter, worked his first 32-3 innings then got help from Ken Wassus to get credit for the victory. Perkins had a two-run double in the second inning that scored Rick Yankee and Rick McNally, who had walked and singled, respectively, to aid his own cause.

Then the Spartans collected four runs in the third inning as Rob Dunsmore walked, Jim Kubiak was safe on a fielder's choice and John Squire singled. With bases loaded, Jeff Pollard issued a walk to Rick Yankee to force in one run, Dave Zafke's sacrifice fly brought in another, and when Mark Walters walked, the bases again were loaded.

Walters was picked off base but McNally, Perkins and Craig Yee each trotted to first base thanks to free passes.

Reliever Sam Ruffalo took over

Edsel to duel Belleville '9'

The "overtime pay" was gratifying to Coach Vitold Kaminski and his Tigers who won two key ninth inning decisions over the weekend.

Belleville broke a 1-all ninth inning deadlock against Trenton to take a 2-1 Suburban 8 Conference victory on Friday that enabled the Tigers to stay in a two-way first place tie with Edsel Ford.

The two teams will meet Friday to settle their title disputes.

Belleville also scored one run in the top of the ninth to win a 5-4 decision over Southgate Aquinas to "Stay alive" in the Wyandotte Invitational Tournament.

Vern Gowen and Mark Lehmann staged the pitchers' duel Friday. Gowen, one of Kaminski's most effective hurlers this season, tossed a seven hitter, struck out 11 and walked one to get credit for the nine-inning victory.

Lehmann limited the Tigers to four hits and managed to pitch out of numerous threats precipitated by six errors, then lost the game on a wild pitch.

In the ninth, the Trenton hurler gave up a walk to Jim McCoy, who stole second. Ed Brannan singled him to third, and with men on first and third, Lehmann uncorked the wild pitch that led to the decisive run.

Belleville needed a rally to pull it out. Trenton scored first, in the third inning, however the Tigers tied it up in the fifth when Brannan singled, moved to second on a fielder's choice. Mike Wilkinsen walked and with men on first and second Mike Kottke singled in the run.

Jerry Cole was called upon to stop the high-flying Southgate aggregation that placed two runs on the scoreboard in the fourth inning to grab the lead. Belleville answered with a single run in the fifth as Tim Vance singled and was doubled home by pinch hitter Bob Johnson.

Johnson was thrown out at third.

Belleville made it 4-2 in the next inning when Mike Dansard walked. Gowen then singled and with men on first and third, Dansard scored via

a errant pitch. Kottke got on on a bunt single and Brannan drove in the second run on a single. Vance's sacrifice fly accounted for the third run.

Aquinas came back to tie it up in the bottom of the inning but in the ninth Vance was hit by a wild pitch and later scored on Johnson's second double of the game.

Cole, who took over from Steve Theodore in the fourth, was the winning pitcher. He notched seven strikeouts and walked one, giving up three of the seven hits and two of the runs.

Gowen also had a good day at the plate where he smacked three singles in four times.

In the stretch Belleville must content with Plymouth and Edsel Ford. The Tigers were to play Plymouth last night and will host Edsel on Friday, a game which could decide the championship.

Belleville will also begin its bid for the state Class A title on Saturday when it will host the winner of the Ann Arbor Huron and Adrian game.

Dearborn High schools remained a thorn in Belleville's baseball sides as Kaminski's Tigers suffered a 7-2 setback at the hands of Dearborn High last week.

Belleville, in the first round lost to Edsel Ford (also Dearborn) and Dearborn's victory avenged an earlier setback by the Pioneers.

Belleville managed to tag winning pitcher Bob Maas for four hits, three in the fourth inning. Trailing 5-0 then, Mike

All-Area track problem

By TOM MOORADIAN
Daily Eagle Sports Editor

There is a saying "that you must draw the line somewhere" and it appears we will have to. We opened "Pandora's box" when we stressed that all area athletes may participate in The Daily Eagle and The Associated Newspapers' All-Area track team.

The meet will be run on Wednesday at Wayne Memorial, beginning at 5 p.m.

In recent years, four to be exact, we have invited "outsiders" into the meet because we felt that, an athlete who attended a school outside the newspapers' perimeter but who lived within one of the cities that our newspapers covered should be given a chance to prove if he's All-Area caliber.

In fact, a couple of years ago Garden City's Lynn Kettehut, who attended Detroit Lutheran West at the time, invaded the meet and ran away with a first place medal in the mile run. But times change, sometimes for the better, sometimes for the worst. What we did a few years ago doesn't necessarily mean it should become traditional and permissible today.

All schools have "problem students", most coaches have "problem athletes." And, for some inexplicable reason these students always seem to get themselves into trouble and eventually find themselves on the outside looking in at the wrong times.

In other words, they get booted off their teams.

Should we let them compete for All-Area honors?

Now, we are not saying the misled students are wrong and the coach is right or vice versa. What we are saying is that disciplinary actions are taken by coaches, leaving students on the sidelines.

We feel we can't allow them to compete, for good reasons.

Before parents start running for the telephone, let it be clear that students not eligible under the Michigan High School Athletic Association rules are just "not eligible" period.

And since most of these student-athletes have not competed on a high school track team, of late, we can't accept them in this, the All-Area Meet.

"A current eligibility form must be supplied at the meet in order for the athlete to compete," stressed Bill Hawley, the meet director. "There are other meets around the state that these boys may compete in if they desire, such as the Michigan AAU or the Michigan Federation meets."

"Athletes who have competed on a high school track team in the area and by their times, heights and distances have earned the right to compete will be allowed," pointed out Hawley.

The line has to be drawn.

In fact, if there were no line - there are several junior high school trackmen who have shown with their performances that they too are eligible, they, too, could demand their right to enter the meet. We can't accept them, of course.

This meet is designed to pick the best All-Area High School track team in the area. The stress is on "high school."

Oh yes, I was also told to inform you that you needed to bring your own pop with you to Wayne High.

The Wayne Memorial Athletic Booster Club will have the concession stands open during the track meet.

There's one problem that was quickly resolved by the Zebras.

Wish all our problems could be as simple.

RYB gals raise funds for teams

The Romulus Youth Baseball Association's women's auxiliary kicked-off their fund-raising campaign recently with a bake sale and paper drive which proved highly successful.

As another fund-raising project the gals also will sell greeting cards, and anyone interested should call Virginia Bird at 941-1037 or Marge McCrory at 941-3349.

The next RYBA Women's Auxiliary meeting will be held on Wednesday, June 7 at 8 p.m., at the United Methodist Church, Olive Street, Romulus.

Aquinas eliminates Huron

A highly-touted Southgate Aquinas team shattered New Boston Huron's hopes of reaching the pre-district Class B playoffs Friday when it ousted Coach Ron Smith's Chiefs 6-3.

Scoring three times in the first inning and twice in the third, Aquinas hung on as Huron rallied but was unable to make up the difference.

Ron Thompson, who gave up 10 hits, struck out two and walked one was the winning pitcher, while Dale MacDonald stepped in to help winning pitcher Bob Mason in the fourth.

Huron made it a 3-1 ball game in the bottom of the second when Tim Hinojosa and Gary Delano singled after Thompson was safe on an error. Then in the fourth the Chiefs put two runs on the scoreboard when Thompson and Hinojosa cracked singles and Larry Smith's two-out base hit drove them in.

Bedford scored five runs in the top of the sixth with the benefit of two hits to win a 6-5

nonleague game from Huron last Thursday. The Chiefs scored what appeared to be an insurmountable lead in the fourth when they tallied five times as pitcher Gary Whitehouse sparked the rally with a single. He went to second when Doaker Toth also smacked a base hit.

With one away, Dave Barnes pounded a two-run single, then after a strikeout, Chuck Pearson also singled. Tim Hinojosa's double chased one runner home and Pearson came home after a wild

pitch. Dana Kemp's single scored the Chiefs' final run. Whitehouse (1-1) notched nine strikeouts and walked one in going the distance. A base-loaded double in the sixth proved to be his undoing.

Jamie Hinojosa managed to overcome a shaky start and pitched Huron to a 4-3 conference victory over Airport last Wednesday. He padded his league record to 3-2 on the year and 3-4 over - all.

Airport had a 3-0 third inning lead when Huron struck back for two runs in the bottom of the third. With one away, Larry Hartsiff and Art Sarkkinen each drew bases on balls. Then Jamie Hinojosa popped out, while Kemp and Delano each hammered run-scoring singles. However, Kemp was called out at the plate, trying to score.

What proved to be the decisive runs were put on the scoreboard by the Chiefs in the sixth inning when they collected two runs without a

hit off of reliever and losing hurler Ron Baker.

In that inning Kemp was safe on an error. He advanced to second on a wild pitch. After Delano fled out, Thompson walked and Coach Ron Smith called in a pinch runner, Larry Smith. Mario Gracia knocked a grounder to first, but the first baseman chose to get the runner going to third and the throw misfired, resulting in the tying run.

With men on second and third Tim Hinojosa's sacrifice fly brought home the winning run.

Romulus nips Flat Rock

Romulus will wind up the 1972 tennis campaign this week.

Coach Zane Kuryliw's Eagles will face Garden City East today (at East) and

bring down the curtains on Friday at home to Riverview, one of the downriver powers, for their final two tests.

Romulus eked out a 4-3 victory over Flat Rock to bring their over-all record to 4-11 on the season, and the Eagle mentor attributed the win to "the boys who managed to overcome the 3-setters".

"It was a tight contest," Kuryliw said, "but this time our boys managed to win some three-setters and that was the difference."

The results of the match are as follows:

Romulus

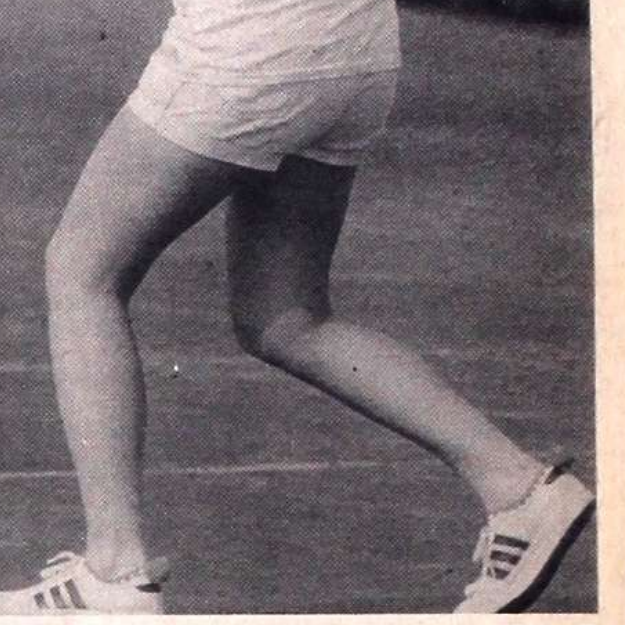

EAST		W	L
Team	Coughlin Air	2	0
	Progressive Club	2	0
	Baum's Funeral Home	1	0
	Morgan Manor	1	0
	Kerr Mfg Co.	0	2

Huron split a doubleheader with Tecumseh last week. The Chiefs took the first game 4-1 as Thompson twirled a four-hitter, while they lost the nightcap 6-5 as Thompson, who pitched five innings in this game and was relieved by Jamie Hinojosa was the loser.

In the opener, Tim Hinojosa's two-run double after Gracia, Kemp and Thompson had walked and Sarkkinen was safe on an error provided the key to the victory. The Chiefs also scored one run in the fifth when Hinojosa was safe on an error, stole second, and scored on another error, after moving to third on an infield out.

Huron had numerous opportunities to win the second game, blowing leads of 2-0, 3-2, and 5-3 before succumbing to a 3-run Tecumseh sixth inning.

Jamie Hinojosa had one of the best days of his career at the plate as he smashed a solo homer in the third, then pounded a two-run fifth inning roundtripper with Sarkkinen aboard and also tripled. Sarkkinen had singled to start the third. He also singled in the first, moved to second on a pass ball and scored when Jamie tripled him in. Tim's sacrifice fly drove in his brother from third.

BREAKING THE ICE — Pretty Norma Cikalo (above) and sister Jo Ann have proven they are good enough to play varsity tennis at Romulus High School. The two twins, after losing their first two doubles matches, finally worked their way into the winning column against Robichaud's No. 3 doubles. The Cikalos are the first area girls to make it with a high school varsity boys' team, and the two juniors have a "bright future in the sport", according to Romulus head coach Zane Kuryliw.

Tigers

(Continued from B-1)

Kottke got the locals started when he singled. Dansard was awarded first base on a catcher's interference and with men on first and second Kevin Bara came through with a run-scoring single.

Ed Branam also connected for a single, but Bara was called out at the plate for the third out.

Theodore twirled the first four innings for the Tigers and was relieved by Cole who finished up. The two Tiger hurlers gave up a total of eight hits to the Pioneers.

Maas fanned seven and walked one in pitching a four-hitter.

With the added help of some unexpected curves, Romulus managed to blank Dearborn Heights Robichaud in a nonleague tennis match yesterday 7-0.

Coach Zane Kuryliw used three girls in his lineup and they figured prominently in the victory.

In the No. 2 doubles, MaryAnn Ryznar teamed with Ray Ebersberger and the twosome stopped Robichaud's Bob Vokac and Dave Holman in two sets of 6-1.

Then, the Cikalo sisters - JoAnne and Norma - dumped Stan Mathews and Bill Owens in a pair of 6-2 sets for their first triumph since being accepted on the varsity team, three matches ago.

"They're adequate players who don't make too many mistakes," said Robichaud tennis Coach Jim Hadley, referring to the girls on the Romulus team.

14 teams to play for Romulus title

The Romulus softball season got under way last week with a full slate of games. This year the league expanded for the second straight season with two additional teams bringing the total to 14 teams.

The loop is divided into a east and west division with each divisional winner over a 19 game schedule to be crowned division champs and the top four clubs from each loop to enter the double elimination playoffs for the city championship.

The feature game of the week found defending champs Coughlin Air (who last year played under Anchor Block's banner) outlasting Morgan Manor 8 to 5 Coughlin scored eight runs on 11 hits while Morgan gathered five runs on 12 hits.

Rick Paglia, Bill Worden and Dave Rakotz led Coughlin's attack with a pair of hits each, winning pitcher

Chuck Hazen aided his own cause with a home run and 3 RBI's.

Coughlin then squeezed by Baum's Funeral Home on Thursday pushing across three runs in the last of the seventh inning. Dave Rakotz, Jr. Rakotz and Chuck Hazen all came through as pinch hitters in Coughlin's seventh then Paglia singled the winning run. Ralph Rakotz recorded the win his first of the season while Ivan Kinshella took the loss bringing his record to 1 and 1.

Morgan Manor bounced back Thursday led by Mike Sprau's two homers and a triple to hammer Kerr Mfg. Co. 17 to 3.

Romulus Progressive Club won twice besting Romulus Press Repair 11 to 6 and Hal's Market 9 to 7. Harmon Schonfeld led Progressive with 4 for 4 on Tuesday and 3 for 3 Thursday.

Youth's quick aid earns him award

Robert Holcomb, 4, of 13091 Cogswell Rd., Romulus, is in line for a reward — a savings account in his own name.

So says Bennie Landers, 44, of 13090 Cogswell Rd., a neighbor to Robert, who reports the young boy's alertness and ability to follow instructions brought quick assistance

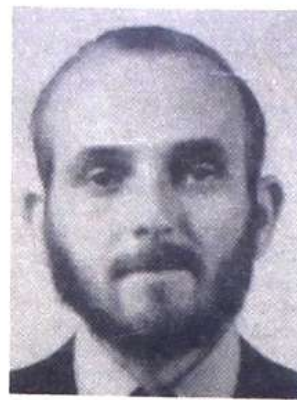

when Landers recently was injured.

Landers, who broke his back about five years ago while employed by a oil firm, is still able to perform small chores despite the use of crutches.

Two weeks ago, he was doing some welding work on his 24-foot steel hull boat parked in his backyard when the ladder he was using tipped. He fell, breaking his right leg in three places.

While lying near a fence where he had crawled, young Robert rode up on his bike. Told what happened, Robert was asked to run and get his father, Claude. Robert lost no time in obeying the instructions.

His father arrived within seconds and the Romulus Fire Department was soon on the scene putting out a fire in the boat caused by the welding torch while Landers was on his way for medical treatment.

'72 proves to be busy for veteran home loans

Forecasts that 1972 would be a big year for G.I. home loans were borne out during the first three months as last year's first quarter records were topped by 123 per cent.

The Veterans Administration reported it guaranteed 91,200 loans during January, February and March of this year, compared to 40,900 during the same period last year.

Loans during March reached 33,100, which was 13 per cent over February and 129 per cent over March 1971.

Applications for loans continued to come in at a brisk pace during the quarter as did requests for VA appraisals of homes. Requests leveled off for certificates of eligibility to

buy homes with VA guaranteed loans.

Applications received during the first three months totaled 89,800 for a 43 per cent increase, and the March figure of 36,000 was 34 per cent up from February and 22 per cent over March, 1971.

Appraisal requests for the quarter, at 173,500, were up 18 per cent over last year, and the March figure of 69,700 was 22 per cent up from February and six per cent over March, 1971.

Requests for eligibility certificates, at 208,800, were only a six per cent increase over the first quarter of 1971. March, with 83,700 requests, was up 27 per cent over February but down three per

cent from March a year ago.

A favorable climate for G.I. home loans is expected to continue because administration steps to hold the interest rate for these loans at seven per cent continue to be successful. It reached 8.5 per cent in December, 1970.

Those eligible for G.I. home loans include all veterans and eligible widows of World War II, Korean Conflict, Post Korean Conflict, Vietnam Era, wives of servicemen officially listed as missing in action for more than 90 days and servicemen who have served on active duty for at least 181 days.

Information on G.I. home loans is available from VA offices and from representatives of local veterans' service organizations.

Rotary adds new members

The Belleville Rotary Club has accepted three area residents as new members. The new members are Ron

Beech of 2145 Rawsonville Rd., Ben Robertson of 794 Virginia, Plymouth, and Doug Brown of 12516 Beck Rd.

Airport committee full again

The Van Buren Township Board has approved the appointment of two Belleville residents to fill vacancies on the township's Airport Advisory Committee.

The appointments were recommended by G. Elton Gollwitzer, township supervisor.

Named to serve on the committee were Theodore Zywicki, 44410 Harmony Lane, Belleville, owner of a machine shop in Romulus; and John E. Roberts, 12597 Lake Pointe Pass, Belleville, a pilot for Universal Airlines Inc.

They succeed Marshall Hope and Mrs. Gladys Baldwin, both of Belleville, who have resigned from the committee.

Atchinson honored by Ford

Atchinson Ford Sales, Inc., 9800 Belleville Rd., Belleville, has been selected as one of the nation's outstanding Ford dealerships and will receive Ford Motor Company's Distinguished Achievement Award.

The award is presented "in recognition of progressive management ... modern sales and service facilities ... sound merchandising practices ... high quality standards ... and continuing interest in rendering superior service to Ford owners."

Norman S. Atchinson has been a Ford dealer in Belleville since 1961.

Kennel licenses renewed

Six Belleville area residents have been granted kennel licenses renewals by the Van Buren Township Board.

Township Dog Warden William Minyard recommended renewing the licenses following inspections. They are for:

Thomas Mitchell, 46314 Chatsworth; Arthur Neeley, 6135 Beck Rd.; Ernest Minus, 41903 Savage Rd.; Mrs. Helen J. Adcock, 850 Savage Rd.; Robert Baywgrd, 41366 Savage Rd.; and Mrs. Edna Findley, 49960 W. Huron River Dr.

Minyard reported Mrs. Findley's license was renewed for one year or until she sells her dogs of the poodle breed. He stated she is going out of business because of her health.

Circus theme feted

The theme of the recent meeting of Cub Scout Pack 1739 of Romulus was the "Circus World."

Den three leader Claudette Pingilley selected Kyle Krueger as ringmaster. Tony Clark was the magician, while Billie Hoogerhyde performed a tarzan act. Lee Pingilley was a clown and lion tamer. The lion was a St. Bernard named Oliver. Eddie Trojanowski was a strongman and Bobbie Pingilley was a special midget strongman. Frank Kuslowski sold popcorn and chips.

Webelos' den leader Larry Wasvary selected Ricky Cottongim as ringmaster. He announced the following boys who performed special tumbling acts—Greg Atherton, Doug Cox, Steven Cook, John Gendron, Frank Drobil and Ricky Cottongim.

Members of the pack were thanked by Cubmaster Dennis Kidder for their work and performances.

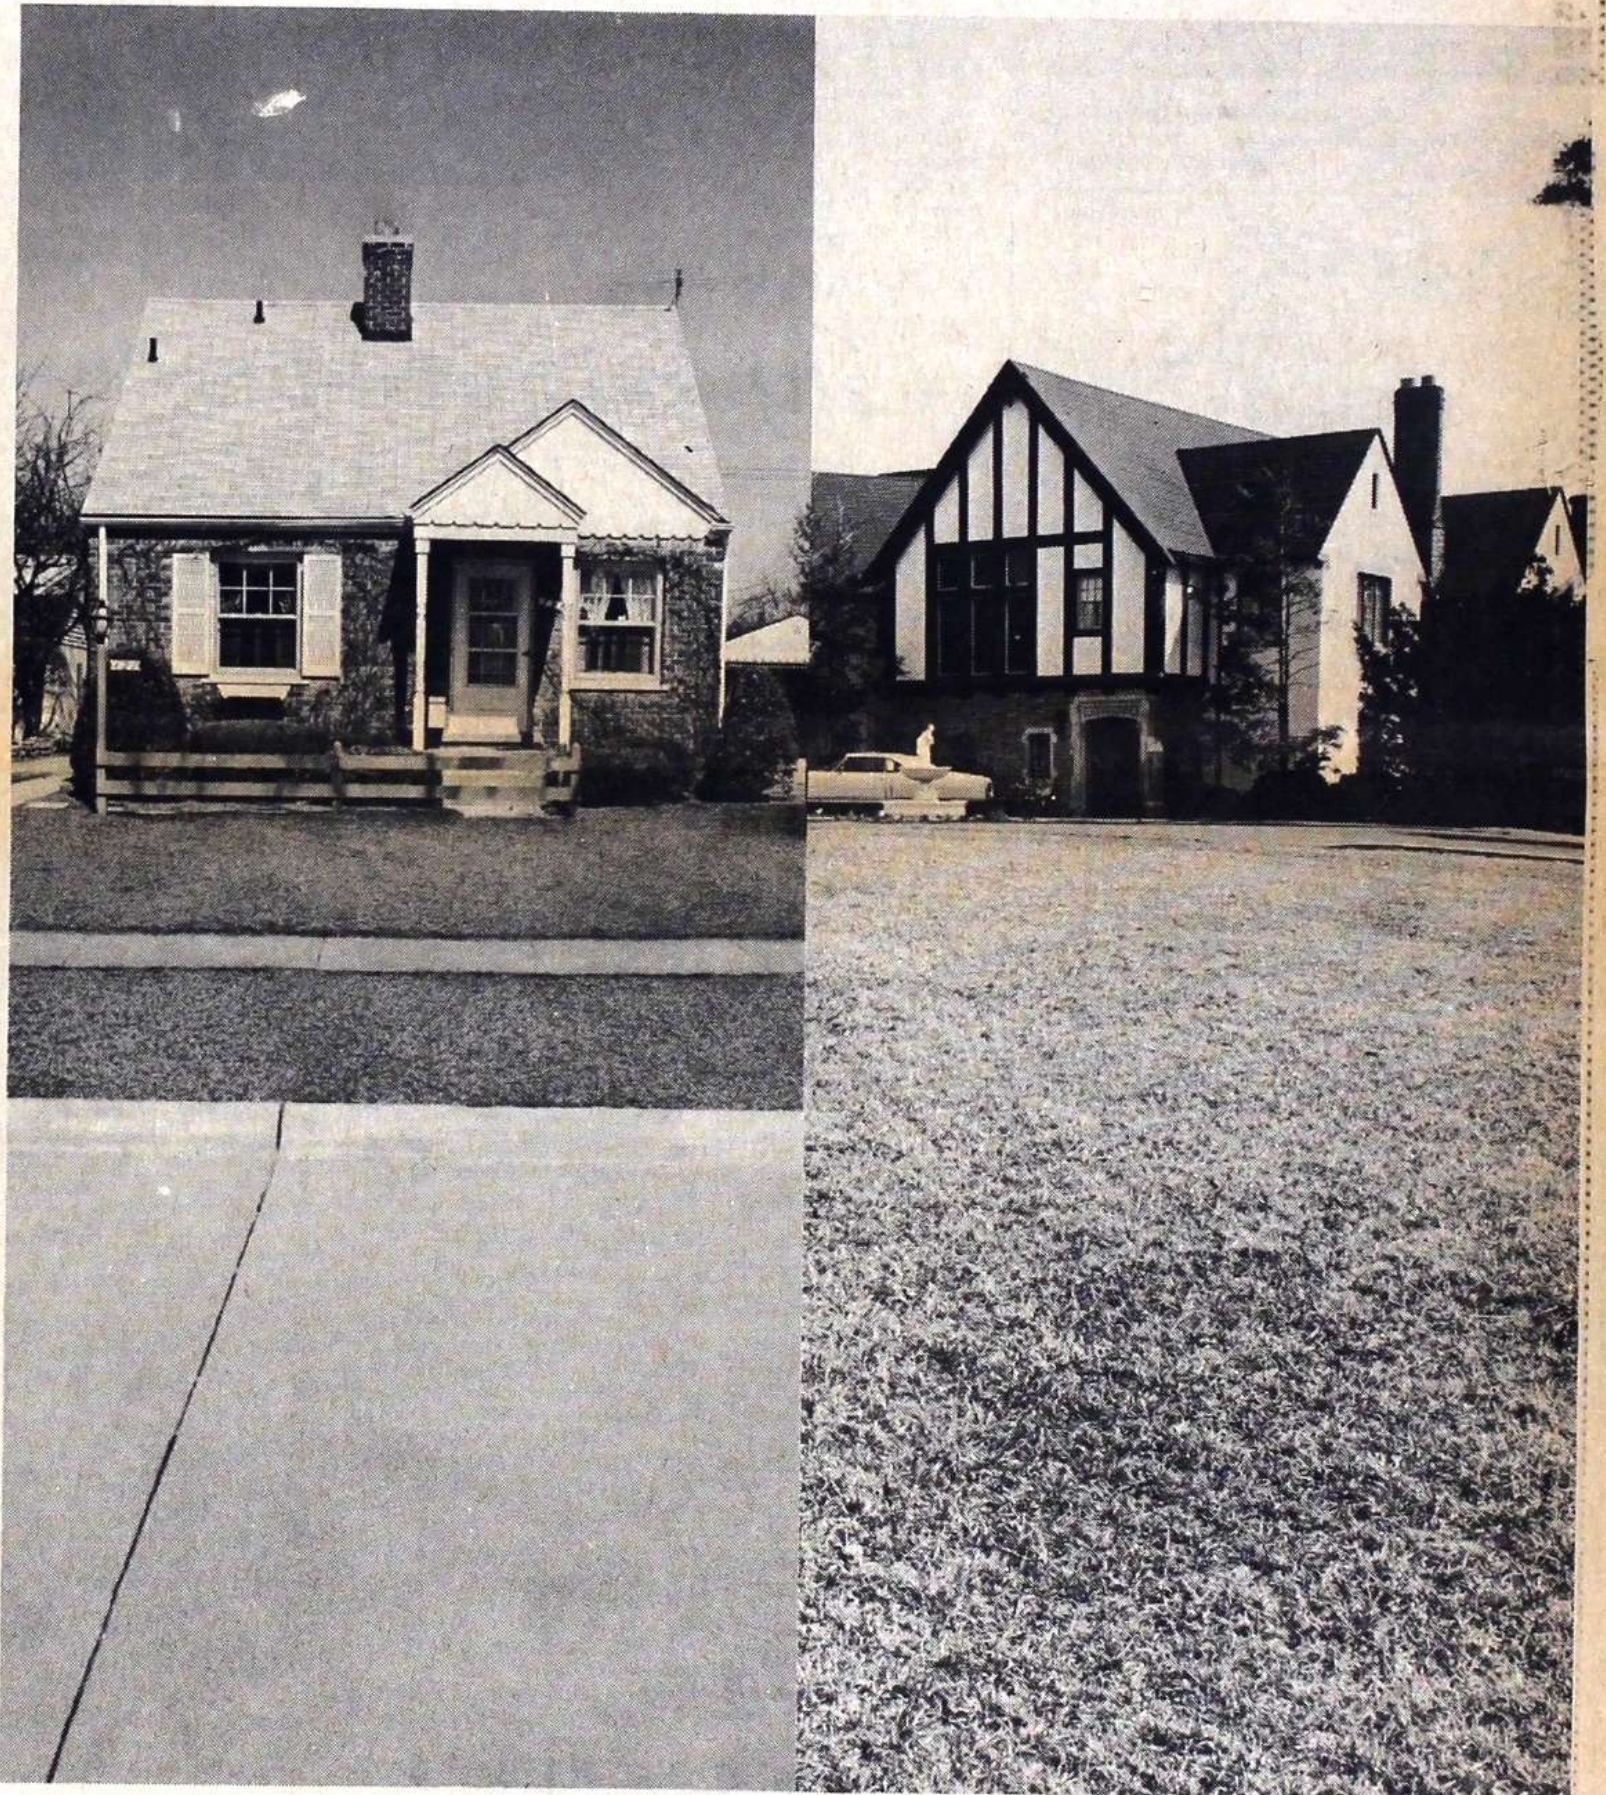

Kiwanis officers chosen

The election of new officers for the 1972-73 year has been announced by the Belleville Kiwanis Club.

The club's officers were elected unanimously at an election held on May 9.

Named president was Don Meyer. Others elected were Clyde Stapleton, first vice-president; John Touse, second vice-president; and Olin Wyman, treasurer.

Elected to the board of directors were Clyde Batzer, Dutch Atchinson, J.D. Clark, Jerry Jarrett, John Keller, James Richendollar and Richard Wood.

At NBD, it's the same low flat closing fee, no matter what size house you buy

At NBD, we have a closing fee that has nothing to do with the size of your mortgage.

Instead, it's one low flat fee. One low flat fee whether you're buying a \$20,000 house. Or a \$100,000 house.

So you might say, the more your mortgage, the more you save at NBD.

Quite possibly save enough to pay for a new chair. A couple of tables. Perhaps even carpet a room.

And when you get your mortgage from NBD, we'll also give you a good estimate of how much your total cost of closing will be—including our fee, insurance, prepaid taxes, everything.

Which means, at NBD, we'll not only save you money on your closing costs. We'll also save you from any unexpected surprises when you sit down to close.

And those are just two of the reasons more people come to us to finance their new home than to any other bank in town. Come see us.

MISS HATCHER

EMU students' vows solemnized at campus chapel

Paula J. Cucchiara and Michael S. Parkinson exchanged wedding vows and rings May 6 at Holy Trinity Chapel on the campus of Eastern Michigan University, Ypsilanti. The Rev. Peter Dougherty presided at the two o'clock rite before an altar graced with baskets of white flowers.

Parents of the bride and groom, both students at E.M.U., are Mr. and Mrs. J. Cucchiara of 37130 Eureka Road, Romulus, and Mr. and Mrs. S. Parkinson of 906 Fourth Avenue, Le Mars, Iowa.

Entering the church with her father, the bride appeared in a floor-length A-line gown designed with a high-rise lace bodice, high neckline and long sleeves cuffed with lace.

HER FLOOR-LENGTH veil fell into a circular train bordered with floral lace to match that on her dress. A bouquet of white carnations encircling pink sweetheart roses completed her ensemble.

Shelley Schwaderer of Kingston served as maid of honor in a roman blue frock while Margaret Sisung of Maybee and Geraldine Nicholas of Flint were in

powder blue for their roles as bridesmaids.

Identically styled, their dresses were in the empire mode with long sleeves and full-length skirts ruffled at the hemline. They wore matching headpieces and carried arrangements of carnations, pink and white bachelor buttons, and baby's breath.

Mark Wilms of Le Mars, Iowa was asked to be best man. David Parker of Ypsilanti was the only usher.

THE BRIDE'S mother chose for the occasion a blue jacket-dress with harmonizing accessories while the bridegroom's mother wore a lavender ensemble. Both were presented with corsages of white carnations and pink sweetheart roses.

Haab's Restaurant was the setting for the reception which followed with Perkins Cake and Steak House having been chosen by the bridegroom's parents for the rehearsal dinner.

A graduate of Romulus High School, the new Mrs. Parkinson is a music major at Eastern where she is an honor student and member of Tau Beta Sigma, honorary band sorority. Her husband is an alumnus of Le Mars Community High School currently studying toward a business management major.

MR. AND MRS. KENNETH D. TREVINO

Rings, vows exchanged at St. Mary's Church

Double ring vows were solemnized April 29 at St. Mary's Catholic Church in Wayne uniting in marriage Lucille Mattis of Romulus and Kenneth D. Trevino of Westland.

Some 400 assembled guests saw the Rev. Raymond Sayers perform the double ring rite before an altar adorned with bouquets of white carnations.

Parents of the young couple are Mr. and Mrs. John H. Majchrzak of 35819 Van Born, Romulus, and Mr. and Mrs. Richard Trevino of Parent Street, Westland.

Following the wedding, guests gathered at Veteran's Hall in Detroit for the reception. The newlyweds later departed for a honeymoon at Niagara Falls and Northern Michigan and are now living in the bridegroom's apartment at 2565 South Wayne Road, Westland.

WALKING TO THE sanctuary with her father, the bride was gowning in a bouffant-skirted creation of Chantilly lace, the tiers of lace cascading into a chapel train. The contoured bodice was designed with a high collar and bishop sleeves, all in lace.

A crescent design of lace petals held the bride's bouffant veil of silk illusion which drifted to mid-back length. Completing her bridal finery was a cascade arrangement of white carnations centered with a white orchid.

The bride's sister, Mrs. Lois Roberts, was matron of honor in a floor-length apricot gown fashioned with a high-rise bodice and bouffant sleeves. She carried cascading carnations and mums, tinted to match her dress, and wore orange and green flowers in her hair.

Wearing identical ensembles in lime green were the four bridesmaids: Mrs. Mary Ann Rollins and Teresa Majchrzak, sisters of the bride; Mary Ann Wender, their cousin; and Roxanne Trevino, sister of the bridegroom.

In an apricot frock like those worn by the senior attendants, Mary Therese Rollins carried

out the role of flowergirl at her aunt's wedding.

THE BRIDEGROOM asked his brother, Louis, to be best man. The corps of ushers included Jerry Rollins, Michael Roberts, Steve Kieter, and Michael Hickson.

The bride's mother appeared in a formal gown of aqua silk organza accented with sequins on the bodice while the bridegroom's

mother donned a floor-length gown of pink chiffon over taffeta. Both added silver accessories to their dresses.

The new Mrs. Trevino graduated from St. Mary's High School and Marjon Beauty School. She is currently working at Geneva's Beauty Shop. Her husband attended Wayne Memorial High School and is an employee of Allied Supermarkets.

California wedding takes Gobles to Coast

By MRS. JOSEPH SPRING
OX 9-4021

Mr. and Mrs. James Goble of Wabash St. have returned home from California where they attended the wedding of their grandson, James Hale, to Claudia Davis on Saturday, May 6 at the Peek Family Wedding Chapel in Westminster. A retired Navy Chaplain presided at the ceremony.

Following the service a reception was held at the home of the bride's parents, Mr. and Mrs. Raymond Massey in Huntington Beach. Other family members who attended were the bridegroom's parents, Mr. and Mrs. Warren Hale, Pamela and Alan, of Milan.

A former Belleville resident, Robert Lambeck, from Van Nuys, California, was an overnight guest on Thursday and Friday of last week of Mr. and Mrs. William Graham of Liberty St.

After having been a patient at Veterans' Hospital in Ann Arbor for the past two weeks, Clarence Carnahan, returned to his home on E. Huron River Dr. last Thursday.

Mr. and Mrs. Leon J. Boldt of Roland St. arrived home last Wednesday afternoon after having attended the meeting of the National Eagle Triplex Association held at Tulsa, Oklahoma, May 14, 15, 16. Mr. and Mrs. Eldon Fogelsohn of Bay City accompanied them.

During a tour of the city they visited the Oral Roberts University, the Thomas Gilcrease Institute of American History and Art, and the Rose Gardens.

Mr. and Mrs. Carl Miller of Oxnard, California, arrived on Friday of last week to spend some time with the latter's sister-in-law, Mrs. Orrin Post, of Liberty St. and the former's brother, Norman, and wife of Second St., and other relatives.

Mrs. Lester Hanna of Church St. is a patient at Beyer Hospital after having undergone emergency surgery on Sunday, May 14.

Mr. and Mrs. Paul J. Clark of Liberty St. have returned home from Winchester.

Party marks 30th anniversary

MR. AND MRS. S.K. Pullen of 14285 Elwell Road, Belleville, were the surprised guests of honor Saturday, May 13, at a party marking their 30th wedding anniversary.

Planned by their three children, Mrs. Stanley (Val) Gondek of Belleville; Jack, who's serving with the U.S. Air Force at Kincheloe Air Force Base at Sault Ste. Marie; and Sandy, the celebration was attended by some 21 friends and relatives who came from the Soo, Inkster, Dexter, Plymouth, Westland, Ypsilanti, and Belleville. A buffet supper and tiered wedding cake honored the couple who were married by the late Judge Post on May 12, 1942.

Among those congratulating the Pullens were Charles and Evelyn Pullen of Belleville who'd been their best man and maid of honor.

Park outing marks Jeffrey's birthday

AFTER HEARING about young Jeffrey Miller's recent birthday celebration, we suspect he has an 'in' with the weatherman. His outdoor party at Metro Park was scheduled from 11:30 to 1:00 and it was at 1:00 the rains began to fall.

Planned by his mother, Kathy Miller, Jeff's fourth birthday was held at the children's play area in the park with sloppy joes, chips, pickles, juice, and brownies to sustain healthy appetites.

Helping share in the festivities, which included prizes for each youngster, were Jeff's mom and five-year old sister, Shelley; his grandmothers, Eleanor Merecki and Maxine Miller; his aunt, Marilyn Merecki; cousins, Kristin Points and Timmy Moore (Tim's mom just home with a new baby daughter); Eleanor Mott and daughter, Becky; Jo Gerrish and her trio, Maria, Mikki and Meloney; and Phyllis Dewicki with Scott and Ann Marie, all from Belleville; as well as Dotti Michelin with Cheryl, Michael and Kathy from Ypsilanti.

Grandmother's garden is site of wedding

MRS. JOHN TACKMAN, who just recently returned to Belleville after spending the winter at her home in Largo, Florida, sends us news on the recent marriage of her granddaughter, Colleen Crotty.

Colleen, the daughter of Mrs. H. Smith (the former Paulette Tackman) of Largo, became the bride of Jim Gilbert, also of Largo, in a March 4 ceremony held in the garden of her grandmother. The couple later departed for their honeymoon in Europe and at the present time they are visiting the city of Dijon in the golden hills of Burgundy, France, the birthplace of Mrs. Tackman who came to Belleville as a French war bride in 1919.

Tracy Ostrowski has a brother

ANDREW SCOTT is the title chosen for Larry and Vicky Ostrowski's new son born May 12 at Annapolis Hospital. The newborn tipped the scales at 9 lbs., 10 oz. and measured 21 inches at birth.

The Ostrowskis, who reside at 17565 Sumpter Road, Belleville, also have a daughter, Tracy Renee, who's 17 months old.

Mrs. O., the former Vicky Gerber, is the daughter of the Fred Gerbers of Belleville. Mr. and Mrs. Stanley Ostrowski of Belleville are the paternal grandparents.

Ferguson twins share birthday honors

SHARING THE spotlight at their birthday party Sunday, May 7, were the Ferguson twins, Shawn and Shari, who were the twin bill presented to their parents May 3, 1967.

In honor of their fifth birthdays, the duo were guests of honor at a buffet supper planned by Roger and Diane Ferguson of Harris Road. Two colorful, detailed cakes, made in the shapes of Raggedy Ann and Raggedy Andy, were created for the twins by their grandmother, Mrs. Arthur Shephard, who, with her husband and son, Brian, were among those celebrating the event.

Also adding their do-re-mi's when 'Happy Birthday' was sung were the paternal grandparents, Mr. and Mrs. Fay Ferguson; Bob and Lucy Ferguson with Donna and Michael; the Richard Fergusons, and Jim and Pat Shephard.

Although they were unable to join the group on the seventh, Jim and Marie Dozer of Ann Arbor, honored the twosome belatedly at dinner on Mother's Day.

Airman is home for two weeks

ENJOYING THE company of their son, Al, who arrived home Saturday from Lowry Air Force Base in Colorado, are the senior Al Szumas of Martinsville Road. The airman was home in time to have his family help celebrate his 20th birthday yesterday, May 23.

When Al departs June 2, he'll head for Nellis Air Force Base near Las Vegas, Nevada, where he'll undergo further schooling for missile guidance and control specialization.

Springtime coolers with grapefruit zest

When the temperature rises, the thirsty season begins. And that means plenty of calls for cool refreshing drinks. This spring there's a newcomer on the refreshment scene, grapefruit-flavored instant breakfast drink. Its brisk new flavor gives just the right taste to two springtime beverages. Spicy Grapefruit Drink and a bright Grapefruit Pineapple Cooler.

Both are easy to prepare and have a tart refreshing taste that makes them especially welcome as warm weather thirst quenchers.

Grapefruit Pineapple Cooler has a hint of the tropics in the addition of pineapple juice to the grapefruit-flavored instant breakfast drink. Topped off with a frosty scoop of sherbet, it qualifies as a partytime snack or as a dessert for a springtime meal.

Orange-flavored and grapefruit-flavored instant breakfast drinks are combined in a Spicy Grapefruit Drink. Allspice, nutmeg, and lime juice add their zestiness, and colorful fruit kebab (a pineapple chunk, red and green maraschino cherries, sprig of mint) makes a cheery garnish.

Spicy Grapefruit Drink

1-3 cup Grapefruit Flavor Tang Instant Breakfast Drink
1-3 cup Orange Flavor Tang Instant Breakfast Drink
½ teaspoon allspice
½ teaspoon nutmeg
4½ cups water
1 tablespoon lime juice
Ice cubes

Combine instant breakfast drinks and spices in pitcher or bowl. Add water and lime juice; stir until instant breakfast drinks are dissolved. Chill well. Add ice cubes just before serving. Garnish with maraschino cherry, pineapple chunk kebab, and sprig of mint, if desired. Makes about 4½ cups or 9 servings.

Grapefruit Pineapple Cooler

¼ cup Grapefruit Flavor Tang Instant Breakfast Drink
¾ cup unsweetened pineapple juice
½ cup cold water
2 bottles (7 fl. oz. each) chilled ginger ale
2 cups ice cubes
1 pint orange, lime, or lemon sherbet (optional)

Dissolve instant breakfast drink in pineapple juice and water. Chill well. Just before serving add ginger ale and ice cubes. Serve with scoops of sherbet and soda straw. Makes about 3½ cups (without ice and/or sherbet) or 8 to 10 servings.

Long weekend means many traffic headaches

If you plan to take an automobile trip over the Memorial Day weekend, your car will be one of more than three million vehicles expected to log approximately 760 million miles during the 78-hour holiday.

This represents a five percent increase in travel over the 1971 Memorial Day weekend, according to

Automobile Club of Michigan.

"Since the upcoming holiday traditionally is the kickoff for summer activity in the state, the period from 6 p.m. Friday (May 26) to midnight Monday will be one of the heaviest traveled periods of the year," states Auto Club Touring Manager Joseph L. Ratke.

Ratke estimates that about 6 of every 10 motorists who travel during the Memorial Day holiday will experience delays due to the heavy volume of traffic.

"To avoid unnecessary delays, travelers should plan their trips to avoid peak traffic periods," reminds Ratke. "This is why it is so important to begin trips either before or after the rush periods."

Auto Club states travel will peak between these times: — Friday, 7 to 10 p.m. — Saturday, 9 a.m. to 1 p.m. and 6 to 9 p.m. — Monday, 2 to 10 p.m.

Rush named to school board group

Carl K. Rush, treasurer of the Huron Board of Education, has been appointed by the board as its representative to the upcoming Wayne County Association of School Board's meeting on negotiations.

Rush has also been appointed to the executive committee of the group.

Black-top bids sought

The Romulus City Council has authorized City Clerk Leonard J. Folmar to receive bids for a black-top project at Kennedy Park, located at Five Points.

The bid proposals received by the city will be opened at the June 27 council meeting. The council also authorized the issuance of a no-fee parade permit to the Romulus VFW for its annual Memorial Day Parade scheduled for May 29.

"Monday will be the biggest problem as travelers return home," Ratke points out. "This will be especially true if the day is sunny and warm, since most Michiganders will extend their stays to take advantage of the weather and then all crowd the highways at once."

At least one out of every three vehicles on the road at peak travel periods will be some type of recreational vehicle, predicts Auto Club, which suggests campers have alternate sites picked out since many state and private parks will fill over the holiday.

Ratke says most weekend travelers will confine trips to a 250-mile radius of home. However, several hundred thousand motorists will travel the maximum safe distance of 1,500 miles over the 3½ days.

Approximately 300,000 cars will enter Michigan from other border cities and Canada.

Biggest jams of the holiday will occur at peak travel times on I-75 between Bay City and Flint, and along I-94 at the Michigan-Indiana line as the famous "cornfield carblock" slows cars.

Free coffee will be provided through the cooperation of the Michigan Jaycees and Auto Club on Monday or Friday at five rest areas around the state. These rest areas include: westbound I-96, Lake Chemung exit, to be manned Friday by Howell Jaycees; eastbound I-96, near Highland exit, manned Monday by Fowerville Jaycees; southbound US-27, north of Alma, manned Monday by Alma Jaycees; westbound I-94, 10 miles east of Jackson, and eastbound I-94, five miles west of Jackson, both manned Monday by Jackson Jaycees.

CITY OF ROMULUS NOTICE OF LETTING

Sealed proposals will be received in the Office of the City Clerk until 5:00 p.m., May 30, 1972 for the following equipment:

- Six (6) Half Ton Pick-up Trucks
- Two (2) One Ton Pick-up Trucks
- Two (2) One Ton Vans
- One (1) 24,000 lbs. Dump Truck

1) Proposals shall be submitted on forms furnished by the City, which may be obtained at the Office of the Clerk, 11111 Wayne Road, Romulus, Michigan and shall be enclosed in envelopes endorsed "D.P.W. EQUIPMENT".

2) The right is reserved to reject any and all proposals and to waive technicalities. Proposal guarantee in the amount of five (5 percent) percent of the bid will be required. A Surety Bond for the full amount of the award will also be required.

OUTSTANDING SERVICE AWARD — Virgil W. Humphreys (right) of 25082 Sumpter Rd., Sumpter Township, received Ford Motor Co.'s Outstanding Service Award plaque at a May 15 luncheon given by the company's Downriver Community Relations Committee at the Sheraton Motor Inn in Woodhaven. Victor G. Hindelang, chairman

of the Downriver Service Awards program, and controller at the Woodhaven Stamping plant, presented the award. Humphreys, a maintenance man at Ford's Michigan Casting Center, was honored for his work with youth groups and senior groups and for actively promoting employment in his community.

Summer months mean more water accidents

With May ushering in a five-month period of increased deaths and injuries in Michigan water accidents, the State Police urge all participants in water activities to learn or review now the provisions for safety in the sport.

The department's water safety unit reminds pleasure

boaters, fishermen, swimmers and waders, water skiers and divers that 225 of last year's water toll of 269 deaths occurred in the May-September period.

In addition, there were 212 persons injured in those five months out of the year's total of 257.

Huron eighth grader places 15th in bee

Dave Dilks, 14, an eighth grader at Huron Junior High School, placed 15th in the Metropolitan Detroit Spelling Bee held on Saturday (May 3) at the Detroit News Auditorium.

Dave, who is the son of Mr. and Mrs. Bruce Dilks of 20746 Waltz Rd., New Boston, missed the word "prerogative."

He received a trophy with his name engraved on it instead of the geographical

dictionary that has been presented to district winners in the past.

Dave as district champion won a dictionary, a pen, certificate and a medal in recognition of his spelling ability.

The district spelling bee was held at the Huron Junior High School in March.

Students from 20 area schools participated in the spelling bee.

Sewer forms okayed

A recommendation of the Water and Sewer Commission to use forms of agreement for special sewer construction has been approved unanimously by the Van Buren Township Board.

The forms will be presented to persons residing on private roads to approve construction of a public sewer line through their property.

Township plans to provide public sewage treatment may affect property owners along Belleville Lake who are currently using septic tanks.

The township would ask for easement rights plus \$400 for each property site having a 100-foot frontage. The majority of property owners along the lake do not have that much frontage.

Owners of property which would be affected would have to sign the form agreement to the special \$400 assessment.

Two police patrol cars to be used

Beginning with Memorial Day weekend and continuing through to August, the Van Buren Township Police Department will use two police patrol cars on the weekends. Police Chief John R. Willet Sr. has reported.

Willet also announced that during the month of April, the police department worked 275 man hours, including 32 hours for Flag's Restaurant, located at Belleville Road and the I-94 Expressway.

Two members of the department also attended one session of the Western Wayne County Task Force.

The total payroll for April was \$978.26.

Lake sewer deferred

The Van Buren Township Board has deferred action on the question of crossing Belleville Lake with a sewer line.

The board's action was taken pending the availability of additional information on the proposed sewer line project.

A request from Mrs. Ruth Ann Knysz of Belleville for permission to use the township hall's conference room to display Van Buren students' posters was approved.

Mrs. Knysz is affiliated with the Belleville Chapter of the Women's Relief Corps.

School foreman approved

The Romulus School Board has approved the appointment of Donald Harrison of 31121 Beverly Rd., Romulus, as a foreman in the school district's maintenance department.

Presently with the custodial staff, Harrison will be on probationary status for six months. His salary will be \$12,600 through the 1972-73 year.

Navy nurses

The Navy Nurse Corps has 2,300 servicewomen.

ENFORCEMENT AND PENALTIES

A. This Ordinance shall be enforced by such persons who shall be so designated by the Township Board.

B. The owner, if possible and the occupant of any property upon which any of the causes of blight or blighting factors set forth in Section 2 hereof is found to exist shall be notified in writing to remove or eliminate such causes of blight or blighting factors from such property within ten days after service of the notice upon him. Such notice may be served personally or by registered mail, return receipt requested. Additional time may be granted by the enforcement officer where bonafide efforts to remove or eliminate such causes of blight or blighting factors are in progress.

C. Failure to comply with such notice within the time allowed by the owner and/or occupant shall constitute a violation of this ordinance.

D. Violation of this ordinance shall be a misdemeanor which shall be punishable upon conviction thereof by a fine not to exceed \$100 or by imprisonment not exceeding 30 days or by both such fine and imprisonment in the discretion of the Court.

For vacation homes

Be wary of advertising

By VIVIAN BROWN

Some euphonious advertisements for vacation homes may be a come-on, says a woman who has experienced disappointments in following up such lures in the last few years. In addition, her phone bill reached an astronomical figure.

She was told so often that properties had just been sold that she began calling advertisers at dawn "as soon as the newspaper was delivered." But she received the same response.

Highly suspicious that her selections were dummy ads with their spectacular features—trout streams, large acreage, pasture land, ocean views—for infinitesimal sums, she began filing the "sold" property ads for future reference.

In glowing terms for two seasons, she says, a developer advertised in 17 lines the same "15-acre hideaway with good cabin and trout stream." The fishing spot was touted as piscatorially so prolific that trout practically leaped from stream to frying pan. The price \$15,000. In that area land alone was selling at \$1,000 an acre. It didn't make much business sense: a big "ad" for a surefire investment.

When she answered the advertisement the first season she was told, "It has just been sold, but there are lots of other similar places." (No trout stream or other spectacular features). When the same advertisement appeared the following season, she was intrigued to sleuth it out again for the price of a telephone call. It had just been sold, she was told. Reminded of a previous season's offering, the owner-representative merely commented, "The property had come on the market again."

Last year something went awry because the same advertisement appeared at a new price—\$12,500. It was a season when second homes were selling at top prices, and here the dream property had been reduced! When she called to "torment the advertiser," the woman was told it wasn't the same property that had been advertised previously; the conditions just happened to be the same.

He suggested her husband might like two fine acres at \$10,000 on which he could build a little prefab cabin for about \$5,000. Fishing? It was only 10 miles away.

Some property developers use bait advertising to get names for lists to use in future solicitation. And many of their properties may be bargains, but you must learn to determine how to single them out.

One city couple almost bought a country place "in need of repairs," with acreage, on a sight-unseen basis. But they decided to look. Lucky for them. There wasn't even a way to reach the "cottage" without cutting down trees, and without the cottage part of the investment the land would cost even more than other land in the area.

Long-time second-house watchers offer these ideas for vacation house hunters:

Before looking for a house decide exactly how much you can spend for a lot with a good dwelling, how much down payment you can afford, the location that appeals to you and attractive features you can't live without.

If you are uncertain about an advertisement's merits, send a special delivery or airmail letter to the advertiser. If there are a number of features that intrigue you, a telephone call might be a good investment. But before telephoning decide when you can visit the place and if you are prepared to

bind a sale. If it is a bargain, other people will be prepared to snap it up. A certified check should be available as some owners take the bird in hand when faced with two prospective buyers—one who must wait until the bank opens and the other who can satisfactorily bind the sale.

On home improvements

Here's the answer

By ANDY LANG

Q. — The house we just bought has a finished basement. It's now one huge room and we would like to divide it into two rooms. I know the general principles, since I finished a couple of rooms in an attic in a previous house, but I am not sure how to attach the sole plates to the basement floor. I plan on using 2 by 4s for the sole plates.

A. — Experiment with one 2 by 4, seeing whether you can drive a concrete nail through it into the floor. On most floors, you will be able to do so, although it takes plenty of elbow grease. But on some, it won't work too well and the nails will bend. In that case, attach the sole plates to the floor with a special adhesive. Your hardware dealer or lumber yard will give you the

correct type if you explain what it is for.

Q. — We have the massive job of removing the paint from our shingled house. We finally decided to have it done professionally. Someone suggested sandblasting. Will it work on wood?

A. — Yes, provided that it is not oil paint and there are not a large number of coats.

Q. — I have tried two places without result in trying to obtain some wooden plugs for use in floors. Where can I purchase them?

A. — Many lumber yards and some hardware stores and building supply dealers carry them. But if you can't get them there, you almost certainly will at a store that sells boat supplies.

Q. — The walls in one of the rooms in our house was finished with calcimine. We were told that the way to get off the calcimine before painting was to wash them with mild soap and water. It hasn't worked very well. Could it be because the walls have a "sand" finish?

A. — That's the probable reason. Make a mixture of three parts of boiled linseed oil to one part of turpentine (don't boil the linseed oil; it comes that way). Apply the mixture to the walls. Wait a day or two before painting.

Q. — Can redwood be painted as well as stained?

A. — Yes. But if it has no previous finish and has weathered for some time, give it a primer compatible with the type of paint to be used.

Steady garbage can with corner brace

By AL CARRELL

Dear Al:
Have you ever grabbed the lid to a garbage can, and instead of having it come off, you picked up can and all? By the simple installation of a metal "L"-shaped vertical corner brace at the bottom of the can, you can steady the can with your foot. The part of the brace that sticks out should be level with the ground.

D.P.

Dear Al:
I ventured into my husband's shop to find him soldering in a weird way. I don't know if it's a good trick or a dumb one. He held the solder gun in one hand and a pair of pliers holding his work in the other. He was holding

the wire solder between his teeth, and as it melted in place, he just leaned closer to the work to feed more solder. It was funny looking, but I

guess it makes sense????
Mrs. R.I.
For a guy who can't use his feet to hold things, I guess it would make sense.

Loose hinge can cause door to sag

By ANDY LANG

More than any other single factor, a loose hinge is the probable cause of that common problem in many houses—a sagging door.

The loose hinge is not always suspected as the cause of the trouble because it usually isn't too apparent. When a hinge is examined closely while a door is being opened and closed several times, only a very tiny movement of the hinge plate may be noticeable. If a screwdriver blade is placed on the slot of each screw and turned clockwise, it should not move even a fraction of an inch. If it does, the hinge is not as tight as it should be.

While retightening a loose screw may correct the trouble temporarily, it is better to reset it. This is done by removing the screw and filling the hole with wood putty or plastic wood. When it hardens, redrive the screw into place. A wooden plug may be used in place of the putty or plastic wood. When it is necessary to secure the hinge immediately for a few days—and nothing else is handy—steel wool should be pushed into the hole before redriving the screw.

Sometimes the hinges and all the screws are tightly in place. The next step then is to place a shim under the lower hinge leaf on the door jamb. The shim can be a thin piece of wood or cardboard. To insert it in place, remove the screws that hold the leaf in place, place the wood or cardboard under the leaf and reset the screws so that they go right through the shim.

You will find that a single shim may be sufficient to correct the sagging. If necessary, use two of them. Occasionally, when the door still sags, you will have to deepen the mortised area under the upper hinge plate. Use a sharp chisel for this and work very carefully, taking out only a little of the wood at a time.

A possible source of trouble when a door sticks at the bottom is a threshold which has loosened and therefore is a fraction of an inch higher than it originally was. Look for and remove any loose nails. Don't just hammer them back into place. Using new, preferably threaded nails, retighten the threshold. If the threshold is made of hardwood, as most are, drill pilot holes for the nails. Otherwise you may find the wood splitting as you drive in the new nails.

Extreme caution should be used if any sanding or planing of the door is necessary when moisture has caused swelling. If too much is taken off, there may be a big gap when a change in the weather dries out the wood. But if it is done, be very sure to reseal, varnish or paint the sanded or planed area.

(Squeaky floors and stairs are among the 35 subjects included in Andy Lang's helpful handbook, "Practical Home Repairs," available by sending \$1 to this newspaper in care of Box 5, Teaneck, N.J. 07666.)

Wood makes foundation

An FHA notice sent to all HUD-FHA offices endorses the new all-weather wood foundation system, and lists some advantages.

living areas more comfortable, and reduces building delays because it can be installed in sub-freezing weather. Wood materials must be pressure-treated, inspected, approved and marked as specified, and then they become a permanently protected support comparable to other systems.

Memorial Day kicks off HCMA park facilities

The nine parks of the Huron-Clinton Metropolitan Authority offer a wide variety of recreation for the residents of southeastern Michigan, and most facilities will be ready for the three-day Memorial Day holiday starting Saturday, May 27.

These recreational sites are located in the counties of

Macomb, Oakland, Livingston, Washtenaw and Wayne.

The HCMA park sites are Metropolitan Beach near Mt. Clemens, Stony Creek Metropolitan Park near Utica, Marshbank Metropolitan Park southwest of Pontiac, Kensington Metropolitan Park near Milford, Hudson Mills Dexter-Huron and Delhi Metropolitan Parks northwest of Ann Arbor, Lower Huron Metropolitan Park near Belleville and Willow Metropolitan Park near New Boston and the Village of Willow.

Lower Huron Metropolitan Park near Belleville is one of the most popular parks in western Wayne County and will offer many recreation facilities for the Memorial Day Holiday week-end and the summer of 1972.

The swimming pool will open on Saturday, May 27, and continue daily service through Labor Day, Monday, Sept. 4. Pool hours are 9:30 a.m. to 6 p.m. on Mondays through Fridays with hours from 10:30 a.m. to 7 p.m. on Saturday, Sunday and holidays.

There is a charge of 25 cents per person for use of the pool, including heated showers and bathhouse because all patrons are required to shower prior to pool use. Coin-operated

lockers are available for clothes-checking at 25 cents per locker, with individuals in the same family or group permitted to share a locker.

All females (and males with excessively long hair) are required to wear swim caps while using the pool. Lifeguards are on duty for all swim periods.

The site also includes a first aid station, restrooms and food service, with food bar hours the same as swimming pool schedule. Facilities also include a large paved parking lot, the Woods Creek Picnic Area, shuffleboard courts and Tot Lot, which is designed to entertain the small fry from ages two through six with a large sandbox and play equipment.

Lower Huron Park also has an 18-hole "par 3" golf course, seasonal nature trails, nature center, several large picnic areas with tables, stoves and play equipment. Picnic groups of 50 or more persons are required to register in advance at the park office but reservations for picnic areas are not available.

The 1,200-acre park is located 28 miles from downtown Detroit, with the entrance on Hannan Road via the Haggerty Road Interchange along the I-94 (Edsel Ford) Freeway, between Detroit Metropolitan Airport and Belleville. Park hours are sunrise to 11 p.m. Phone 697-9181 (Belleville).

Willow Metropolitan Park, a ninth HCMA park under construction, offers primarily picnicking at present since only limited public use is available. Park hours are sunrise to 11 p.m. The entrance is on Willow Road, near the Village of Willow, between Waltz Road and Huron River Drive. For information phone 697-9181 (Belleville).

The Huron-Clinton Metropolitan Authority operates and maintains three parks in Washtenaw County, located from 5

to 12 miles northwest of Ann Arbor along the scenic Huron River. These parks are Hudson Mills, covering 935 acres, Dexter-Huron, covering 115 acres, and Delhi Park, covering 45 acres.

Hudson Mills Park has heavily wooded areas, a colorful shelter, an attractive lagoon, rustic bridges, a nature trail, picnic tables and stoves, an historic marker, colorful rapids, finishing and canoe campsite which are all primary attractions. The parks do not have bike trails.

The acorn nature trail is three-fourths of a mile in length and leads hikers along bushy areas near the Huron River and finally through densely wooded areas and handsome flowering dogwood trees. The trail is labelled for self-guided hikes.

Dexter-Huron and Delhi Parks also are primarily picnic-playfield parks and are frequently a favorite spot for family and group outings. No picnic reservations are available at any HCMA park, but groups of 50 or more persons should contact the park office to arrange for the best sites. Tables are available on a first-come, first served basis.

Canoeing and camping by organized youth groups are available with permits issued at the park office. No family camping is permitted at any HCMA park. The several picnic areas all have water and sanitary facilities and the Delhi Rapids is a special attraction.

Park hours are 7 a.m. to 10 p.m. daily "year-round" unless otherwise posted. The office hours at Hudson Mills Park are 8 a.m. to 4:30 p.m. Monday through Friday; and 7 a.m. to 6 p.m. on Saturday, Sunday and holidays.

The address is Huron Mills Metropolitan Park, 8801 N. Territorial Rd., Dexter, Michigan, 48130, or phone 426-8211.

South's Mardi Gras nets \$568 for school

The recent spring Mardi Gras held at the South Junior High School in Belleville and sponsored by the student council earned the sum of \$568 for the student council.

Some of the 29 booths at the Mardi Gras were: penny pop

drop, slave booth, miniature golf, peel me booth, saloon, tropic zone, marriage booth, car smash and many more.

Each homeroom at the school completed to see which could make the most money. The homeroom of Mrs. Karen Kimmell won the contest with a total of \$109. Everyone in the homeroom won an ice cream treat.

Some of the student council's funds will be expanded for a new school activity board to be mounted in front of the school.

Parking curb requested

The Sumpter Township Board has instructed Police Commissioner Virgil W. Humphreys to send a communication to area businesses requesting them to control their customers' parking.

Township Clerk Clarence J. Hoffman Jr., who suggested the communication, reported customers of merchants in the vicinity of the Sumpter Township Fire Department have been using the department's fire apron for their parking.

Space project and art works displayed at fair

The fourth annual spring science and art fair of the Sumpter Elementary School featured a space project, as well as an exhibition of student art.

The hallways of the school at 23501 Sumpter Rd., Sumpter Township were covered with student art work which was arranged and displayed by Miss Sandy Donaldson, art teacher. Awards were given to the outstanding works of art and will be displayed in Belleville area stores this month.

The space project, which highlighted the science fair, was held in the school's gymnasium. The fifth and sixth grade students arranged the space project's exhibits.

A mock capsule was built with a closed circuit television camera and monitors set up for visual contact with the astronauts in the capsule and verbal contact by walkie-talkie. Centers were set up showing astronaut training, planets in space, lunar modules, the space suit, rocket stages, earth orbits, communications and the moon. Students explained their areas of study.

Each classroom had displays of science and art projects which the students and teachers had prepared for the parents. A cake walk in the gym went on throughout the fair.

"All in all," said Principal Thomas McLenon, "it was an excellent event. The entire staff deserve a lot of credit for their outstanding effort in preparing the spring science and art fair."

"These kids are the greatest

and the turnout shows that many parents are truly interested and concerned. Miss Sandy Donaldson did an exceptionally outstanding job in coordinating and exhibiting all the children's work throughout the school."

Sumpter PTO officers elected

The Sumpter Elementary School's PTO has elected new officers for the 1972-73 year.

The officers were elected at the PTO's final meeting of the 1971-72 school year. The newly-elected officials are: Carl Daniels, 46026 Reed Rd., president; Ralph Eichner, 40700 Willis Rd., vice president; Mrs. Susan Tansey and Mrs. Norma Alliston, 2038 George St., Ypsilanti, co-secretaries; Mrs. Rita Daniels, 46026 Reed Rd., treasurer. All are of the Belleville area.

Also elected were the

activity chairman, Mrs. Mary Herring, 44979 Judd Rd., and membership chairman, Mrs. Loretta Radisovich, 21901 Sumpter Rd.

"The PTO did a great job this year," stated Sumpter School Principal, Thomas McLenon. "The parents' involvement, participation and interest is greatly appreciated by all, especially the children. I look forward to another fine year of successful PTO efforts to provide activities for the community and children."

Beverly science fair set this afternoon

The second annual science fair sponsored by the Beverly Elementary School in Romulus will be held today (Wednesday) at the school.

The exhibition of science projects by the students will be open to the public from 3:30 and 4:30 p.m. and from 7 to 8:30 p.m. The science projects will be divided into two categories representing the lower and upper grades. They will include individual,

small group and class projects covering many areas of science and mathematics. The school's first science fair held last year exceeded all expectations with a total of 62 projects.

The judges will evaluate each project according to its originality, scientific accuracy, depth of research and overall effect. Awards for first, second and third science fair winners will be presented.

Parish sponsors dance

St. Aloysius Catholic Parish School in Romulus will sponsor a springtime dinner dance at the Roma Hall in Livonia from 7:30 p.m. to 1 a.m. on Saturday.

A smorgasbord dinner will be served at 8 p.m. and dancing will follow to the

music of the "Swinging Safari." Beer and set-ups are provided. Pizza will be served later in the evening.

Tickets are \$7.50 per person and are available in advance from Irene Grenier at 941-2438 after 5 p.m. Tickets also may be purchased at the door.
